Please read the information below.

Clubs are welcome to host an NSSA referee camp and can request funding to assist in hosting the event. NSSA will review the request and notify the club if they are approved. Grants are intended to supplement the club's training expenses.

After completion of the camp, the club must submit completed NSSA Referee Application of the newly certified referees. NSSA will waive the credential fee for referees certified in the referee camps.

Please provide a budget estimate for the camp and what items the NSSA grant would support.

Requests for grants will be reviewed based on need, number of participants, number of previous camps held, and amount of funds available. It is NSSA's goal to provide as much assistance to as many camps as possible. If you plan on hosting a referee camp, please complete the request form and submit at your earliest convenience. This will help prioritize allocation of the funds.

Thank you to all the clubs, volunteers, and referees that dedicate their time to this program. This is a great way to grow our certified referee population to assist our clubs in hosting registered events. All of your time and efforts are appreciated.
