# 2018 WORLD SKEET CHAMPIONSHIPS PRESIDENT'S WELCOME

The Officers, Executive Committee, NSSA and NSC Staff would like to welcome all participants and their guests to the 2018 World Skeet Championships. Based on survey input from past attendees and Directors, this year the shoot has been shortened from six days to five. Please take time to visit Vendors Row and our Museum which has added more artifacts. A special welcome to our "first timers" and a continued welcome to those who are repeating this experience.

Personally, this is my 26th straight World Championships participation. I still do not have a ring but I will keep trying. The San Antonio area has many attractions for you and your guests to enjoy. If you are a "first timer," ask your friends to recommend where to find some of the best food in Texas.

Last year we awarded specially produced and engraved Remington 1100's which have deep luster bluing, gold-plated trigger and upgraded wood, to our Class Champions in all events. We will continue this practice for 2018. You are only eligible to win 1 gun so if you are fortunate to be a multiple class champion then you will receive a gun in the first event you win.

This is the third year of the Wayne Mayes Championship, honoring the greatest shooter and sportsman our game has ever witnessed. This event continues to grow. Folks like honoring Wayne and his legacy as well as the additional opportunity to win a World Championship together with the chance to win World "Class" Championships.

Our Annual Board of Directors meeting will be Sunday night September 30. All Directors are expected to attend.

I hope all have a wonderful shoot.

Regards,

John Haugh  
NSSA President

All ties for Open & Concurrent Champion, Runner-up, Third & Open Class First through Tenth and Concurrent long-run ties will be shot off in all Preliminary, Mini-World, Main World Championships & HOA Events. All other places will be determined by event long run. 2-Man and 5-Man Team Champions only are shot off. All orange targets will be used during any shoot-offs held under the lights. For complete information, see pages 18-19. Shoot-off ammo will be available for purchase in the Pro Shop.

When we use multiple fields for the 100s, the first round will be miss and out, but the shooters are to stand by behind the field they shot on. All shooters completing the box go to the stadium. The shooters who missed go back on the same field and shoot until they miss two or complete the box. After all fields are complete, the sheets go back to the tables to see if any further shoot-offs are needed.

## PROTESTS

Winners' lists will be posted daily and will include all winners. Protests or corrections must be presented to Shoot Management in the Registration Building before 11 AM the day after the event is shot. Protests must be filed in accordance with NSSA Rule VI and will be ruled upon by the Protest Committee.

## DISTRIBUTION OF MEDALLIONS, CLASS FIRST AWARDS & MEDALS

Open Champion, Runner-up, Third and Class First medallions will be awarded on the stadium field at the conclusion of the day's shoot-offs. All other Mini and Main World Shoot awards will be available for pickup in registration daily 11AM-5 PM **beginning** Sunday, September 30, 2018.

## PAYOUTS OF PURSES AND OPTIONS

All purses and other payments will be made by check and mailed at the conclusion of the shoot. Checks for awards totaling more than \$600 will not be mailed until we have been provided with shooter's Social Security number.

## INCLEMENT WEATHER/LIGHTNING PLAN OF ACTION

At the first sign of an approaching storm, local Doppler radar will be monitored for the direction and severity of the storm. At the same time, shoot management will be strategically positioned to monitor the approaching storm for lightning and any other potential dangerous elements.

At first sight of lightning (by and/or relayed to any shoot staff), a cease-fire will be called immediately via PA system and by shoot management to each field where PA is not available. All fields will be cleared of both participants and staff, with all taking cover in available areas, i.e.: Club House, Vendor Buildings, vehicles, etc.

Shoot management will continue to monitor lightning strikes, starting a new time clock with each observed strike. At the duration of 20 minutes with no strikes, shoot management will begin the process of returning participants to the field(s) to continue with shooting. By starting this process at 20 minutes, the total elapsed time from the last strike until shooting begins is anticipated to be 30 or more minutes.

The above process will be repeated for any and all storms / lightning strikes observed.

In the event of any other dangerous elements of an approaching storm, such as extremely high winds/ tornado or hail, the same cease-fire and field evacuation procedures as above will be implemented as soon as the danger is realized.

## NATIONAL SHOOTING COMPLEX SKEET SHOOTING ACHIEVEMENT CELEBRATION POLICY

In order to continue the tradition of "hat shooting" in celebration of individual achievements and also maintain a safe and controlled environment, the following procedure will be implemented and adhered to during the World Skeet Championships and all other skeet shoots held at the National Shooting Complex.

Following the completion of a shooter's first 100 straight, 4x4 or 5x5 please report to registration where there will be a sign-up sheet to record shooter and squad members. Prior to each evening's shoot-offs, or the next day's shoot-offs if there are none on the given day, shooter of the perfect score and squad members will be called to the shoot-off stadium. Only the shooter of the perfect score and squad members will be allowed to shoot the hat. Hat will be tossed by a member of management / shoot personnel. Each squad member will be allowed to load and shoot no more than two (2) shells. Hat will be shot while in the air only, no shooting once it has hit the ground. When all hats have been shot for the day, the field will be closed for retrieval of all hats.

## PERSONAL CART INSURANCE

NSSA-NSCA-NSC has implemented a policy that proof of liability insurance is required for operation of personally-owned carts at the facility. Minimum liability, such as written for auto policies, for injury/accident is what is required. The policy is required to have reference to the cart that is to be operated and often can be added to current auto or home owner policies. Proof of insurance can be sent prior to your arrival via email to Olivia Gracia at [nscrv@nssa-nzca.com](mailto:nscrv@nssa-nzca.com) or by US Mail to:

NSSA  
Olivia Gracia  
5931 Rofit Rd  
San Antonio, TX 78253

Upon arrival, a permit, which is to be displayed on the cart, will be available for pick-up in the Club House Pro Shop. If you are unable to send insurance in advance of arrival, simply bring your proof of insurance into the Pro Shop when you arrive and a permit will be produced and issued.

## REFEREES/BRILEY VOICE RELEASE

This tournament will use professional referees. The Briley Voice Release, known as "The Wand," will be available on all competition and practice fields. Squads will have the option of voice release or manual referee pulls during regular competition. A voice-release system will not be used for shoot-offs. Calls made by the referee will stand unless presented to the Protest Committee for review.

There will be FIVE CLASSES in the Lewis Class Purse, regardless of the number of entries. Offered in all Mini-World Events (except HOA); Doubles, .410, 28, 20, 12 Gauge Championships.

This system is based on the final scores as they are posted when the shoot has been completed and gives every contestant an equal chance to win, no matter what their shooting ability.

**REMINDER:** Your NSSA classification has nothing to do with your "Class" in this Lewis Class purse. Your class for this optional purse will be determined solely by the rules below.

**ENTRY FEE:** \$10 per event  
High Gun - 3 Places, each class split 50/30/20

**For 150-Target 12 GA Championship**  
**ENTRY FEE:** \$20  
High Gun- 3 Places, each class split 50/30/20

When all the shooting has been completed, the scores are listed in numerical order from the highest to the lowest. They are divided into as many groups as there are classes. For example, if there were 30 entries and 5 classes, there would be 6 scores in each class. The highest score in each class would be the winner.

Since there will often be odd numbers of entries and tie scores on the dividing line between the classes, the following rules have been established:

1. Where a short class is necessary, due to odd entry list, the short class or classes shall head the list.
2. Where the line of division falls in a number of tie scores, the contestants are assigned to the class in which the majority of the scores appear.
3. Where an equal number of tie scores appear on either side of the line, contestants shall be assigned to the head of the lower class.
4. Where the original division is changed, due to tie scores, this change shall apply only to the classes directly affected and the original division shall continue in the other classes.

For example, a shoot containing a 100-target program in which there are 5 Lewis classes and 33 contestants. Since the short classes are placed first, there would be 6 shooters in Class 1 & 2 and 7 shooters in Classes 3, 4 & 5. The final scores are arranged from highest to lowest and the lines drawn in between the classes.

Brackets (}) represent assignment of scores according to Rules 2 and 3. Horizontal lines below numbers represent division of all entries into classes according to Rule 1.

**REGISTRATION**

If you don't understand something – Ask!

It will make everything easier if you read this program, particularly the General Information on pages 6-9. Some of the most important things to recognize and remember:

**You are responsible for verifying that the classes and events you have entered are correct before you leave Registration. You are responsible for notifying Shoot Management (Registration) of any protests or corrections ASAP.** Notification must be received before 11 AM the day after the event is shot.

**SCOREBOARD**

After each flight is completed, the scoreboard will be updated. Remember, all the scores have to be checked, re-added and keyed into the database. The computer processes the information, adds it to any prior information and prints out new scoreboards. **It's extremely important that all shooters check the scoreboard daily to make sure that all the scores are correct in all events, classes, concurrents, purses and options that they've entered.**

**WORLD SHOOT WEBSITE: [WWW.MYNSSA.COM](http://WWW.MYNSSA.COM)****HOW DO YOU FIND OUT IF YOU WON ANYTHING?**

1. Check the scoreboards.
2. Watch the television screens.
3. Listen for your name when shoot-offs are called.

A complete list of winners is posted on the scoreboard after shoot-offs have been completed. No medals are given out until the name appears on the Official Winners' List, and winners are not declared if there is a possibility of an incomplete shoot-off.

**HOW DO YOU KNOW IF YOU ARE IN A SHOOT-OFF?**

1. Read the event description in the program to find out what places and events are to be shot off.
2. Check the scoreboard to determine if your score tied with another shooter.
3. Listen for your name when shoot-offs are called.

**Important!** In some events, the results of the last flight of the day may produce ties that may not be posted before shoot-offs are announced. If there is any chance you have a score that may qualify you in a shoot-off, be prepared with gun and ammunition so you won't be late reporting to the correct field. **At the conclusion of the last flight each day, shoot-off information will be posted on a bulletin board behind field 3.**

**IF I DO WIN, WHERE DO I PICK UP MY AWARDS?**

Open Champion, Runner-up, Third and Class First awards will be given out on the stadium field at the conclusion of the days shoot-offs. All other Mini and Main World Shoot awards will be available for pick-up at Registration from 11:00 AM – 5:00 PM Sunday, September 30–Friday, October 5.

**REFEREES/BRILEY VOICE RELEASE**

This tournament will use professional referees. The Briley Voice Release, known as "The Wand," will be available on all competition and practice fields. Squads will have the option of voice release or manual referee pulls during regular competition. A voice-release system will not be used for shoot-offs. Calls made by the referee will stand unless presented to the Protest Committee for review.

## SHOOT-OFFS AND TIES

Most rules apply to all shoot-off events (except when specifically mentioned in an event below)

1. In the event that scores lower than perfect scores shoot off for Championship titles (i.e. Event or Concurrent CH, RU and 3rd), the shoot-off long runs will supersede the event long runs when determining class winners. All places in class (i.e., 1st thru 10th) will be shot off. Any concurrent long run ties below CH, RU or Third for medals or points will be shot off. Remember the HOA event includes all four guns; your front long run is the 12 Gauge Event and the .410 Event is your back long run.
2. With the exception of Two-Person Teams, when the same individuals are tied for different titles in the same event (like Event Champion and Senior Champion), only one shoot-off will be held to determine both titles, in accordance with NSSA Rule II-B-8-b. Two-Person Team Event Champions will be shot off separately from the event shoot-off. Only Team Event Champion will be shot off.
3. In the event that a shoot-off is not completed on the day scheduled or that it cannot be rescheduled because of conflicts with subsequent shoot-offs, it will continue on Saturday, October 6. On that day, shoot-offs will commence and be completed in the same sequence as the events were shot.
4. In the event of a broken gun during a shoot-off, a contestant will have 10 minutes to have the gun repaired or replaced. Failure to comply with the 10-minute time limit will result in automatic disqualification. Unlimited ammo malfunctions are allowed during the shoot-offs only.
5. When more than one shoot-off is conducted on a given day, the second and subsequent shoot-offs will be called by the Chief Referee and announced over the PA system.
6. Shooters have five minutes to report to their shoot-off in accordance with NSSA Rule II-b-9-g.

NOTE: These shoot-offs will not be announced on the loud speaker system, and it is the shooter's responsibility to be available for these subsequent shoot-offs. Should there be any ties after completion of the second round, those shoot-offs will be announced.
6. In the event a shooter does not report for a shoot-off and there are additional awards to be decided, long runs will be used to break remaining ties with a coin toss to break long run ties.
7. When shoot-offs have been shot down to a single field, each shooter must be on Station 3 ready to shoot the next round within three minutes of completion of the preceding round. At the end of 100 targets, following this schedule, a ten-minute break will be taken.

# WAYNE MAYES CHAMPIONSHIP

## Monday, October 1

The WAYNE MAYES CHAMPIONSHIP will be 25 targets of each gauge featuring a blind draw 3-Man team challenge.

This will be a registered "Event 6" event with World Championship awards in each class (AAA-E) and a unique championship ring donated by Kolar Arms.

The impact that Wayne Mayes has had on this sport is legendary. But besides his individual accomplishments, Wayne loved the people in the sport, and he loved the team events. That's how we honor Wayne, by bringing people together, making teams important again. That's how we make a new event exciting, getting everyone involved. Not just for the sake of the event, but maybe for the betterment of the sport as a whole.

# 2018 NSSA SCHOLARSHIP WINNERS

## KYLER "KORDELL" DRAKE

Congratulations to Kordell Drake from Buda, Texas, on being a recipient of a \$2500 NSSA college scholarship. He plans to use the scholarship at Texas State University where he will study construction science.

Kordell graduated from Veritas Academy in Austin and shoots at San Antonio Gun Club.

"I started skeet shooting as an 8-year-old in the Hays 4-H Shooting Club," he said. "My first formal coach, Joe Schram, taught me the basic principles and etiquette of skeet shooting. As I started to become more serious in progressing my shooting skills, Van Boerner graciously agreed to coach me to the next level. Coach Boerner taught me the mental and physical discipline to compete and achieve my goals in skeet shooting."

Kordell, an Eagle Scout, was named to Krieghoff All-American Teams from 2013 through 2017 and to the Texas State Team as a Sub-Junior and Junior in the same years. In high school, he was a member of the varsity soccer and basketball teams, was a CrossFit competitor, and studied abroad in Great Britain, France, Italy and Switzerland.

"I would like to thank my parents, Rhonda and John Drake, and my grandparents, Bill and Wanda Cox, for all their love, support and sacrifice over the years. I would also like to give a special 'thank you' to Billy Williams and John Barnes for helping me in numerous ways over the past several years," said Kordell.

## NICHOLAS GODFREY

A 2018 graduate of Carroll Senior High in Southlake, Texas, Nicholas Godfrey has been awarded a \$2500 scholarship from NSSA. His parents are Elizabeth Neuberger and Dennis Godfrey. He plans to study Aerospace Engineering at the University of Texas.

He began shooting skeet during his freshman year with his high school's clay target team. After a year, he went to his first NSSA shoot. During his freshman year, he was named his team's "rookie of the year," and for the next three years he was team captain. He also excelled in academics and citizenship, with induction into the National Honor Society, earning AP honors and becoming an Eagle Scout.

His shooting accomplishments include being 2016 TSSA Junior State Team Captain and Rookie of the Year, NSSA 2016 Rookie of the Year and 2017 TSSA Open State Team. Among his major wins are the 2017 Blaser 28-Gauge Champion, 2017 Texas State 28-Gauge Champion, and 2017 Metroplex 20-Gauge Champion.

"Skeet shooting is something that has allowed me to meet new people over the last few years that I never thought I would meet. I have been able to make friendships and memories that will never go away. I will continue to strive to be the best shooter I can be for as long as I continue to shoot," Nicholas said.

Congratulations to Nicholas on his scholarship and accomplishments.

## OLIVIA GRACE "GRACIE" WOELFFER

Congratulations to Gracie Woelffer of Fort Mill, South Carolina, on being awarded a \$2500 NSSA scholarship. Gracie is a recent graduate of Christian Liberty Academy and plans to continue her education at Liberty University, studying international business. Her home shooting club is Mid Carolina Gun Club.

Gracie began shooting about five years ago, following in the footsteps of her older sister Maggie, who had joined the Gaston Young Guns team. "We have created many memories as a family and have been blessed with beautiful friendships on this journey," she said.

When she's not shooting skeet, trap, and sporting clays, Gracie enjoys piano and choir, and she has been active for more than 10 years in caring for Alzheimer's patients.

One of her greatest honors in shooting was to be part of the Mid Carolina Team this year as they received the first South Carolina Governor's Cup award, presented by the Department of Natural Resources to the team with the highest cumulative scores in skeet, trap and sporting clays.

Gracie pointed out that her family puts little stock in awards and accolades, preferring to focus on relationships and serving others. Nonetheless, she has been recognized with many honors such as multiple Krieghoff All-American Teams, NSSA Honor Squad, four-time HOA Junior State Champion, Gaston Young Guns (GYG) team awards, and placing in the Krieghoff Masters and Zone 4 shoots.

"I am so blessed to be part of this amazing community of shooters," says Gracie. "I have been mentored by many great shooters. Doug Thompson (Easy Skeet) honed my form, focus and determination. GYG provided many great memories and tournaments that challenged me. Mid Carolina opened the doors to trap and sporting clays. I have so much more to learn, but I do love sharing what I have been taught to grow the shooting sports. Simply put, I am blessed."

## NOAH DOVE

Noah Dove from Raleigh, North Carolina, has been selected as a recipient of a \$2500 scholarship from NSSA. The son of Tim and Angie Dove, Noah is a graduate of Millbrook High School and a member of the Durham County Wildlife Club.

Already an entrepreneur with his own company, Dove's Secret Sauces, Noah plans to study business management at East Carolina University with a concentration in entrepreneurship.

Noah has been shooting skeet for five years. "I joined Durham County Wildlife Club to better my shooting skills," he explained. "After becoming certified to shoot on the skeet fields off-hours, I met some guys that had been shooting for years. They told me that I had a lot of potential and that I should join the NSSA and start competing in registered events. These guys assisted me by telling me the gear I would need and even helped me during my practice sessions."

Noah has been active in high school and civic service, including volunteering with several community service projects.

His skeet accomplishments are many, with places on Krieghoff All-American Junior Teams and Honor Squad, honors at the Junior World Skeet Championships, Krieghoff Masters Skeet Championship, North Carolina State Championship, Zone 4 Championships, and the Tildon W. Downing Challenge.

"I would like to thank my parents for all of the support they have given me to allow me to participate in the amazing sport of skeet shooting," said Noah. He also credits several other people who have helped him improve both on the skeet field and as a person – his skeet coach, Stuart Brown, and his squadmates.

NSSA extends its congratulations to Noah on his scholarship and achievements.

## SUPPORT YOUR MUSEUM!

The Hall of Fame Museum will be open 10 AM - 5 PM during the World Championship. Be sure to visit the exhibits; new items are continually being added.

There are numerous programs for members to take part in to help improve the Museum. Listed below are just a few we have in progress.

To improve the quantity and quality of exhibits within the Museum and Hall of Fame, additional display furniture is needed. The cabinet program will offer members, clubs, teams or other groups the opportunity to provide an attractive and functional display cabinet to the Museum. The tax-deductible donation of \$1,000 will pay for a new Museum cabinet to display historical artifacts. The cabinet will be affixed with a brass name plaque engraved with the donors' name(s).

Preserve our history by buying a brick for the Museum wall. Your custom monogrammed brick will forever symbolize your support and appreciation of our sport. The brick measures 7 5/8" x 3 5/8" x 2 1/4" and can have three or four personalized lines. Buy one brick for \$100 or multiples at a discount.

Now available is a one ounce NSSA collector coin, featuring the enameled NSSA logo, in mirror-like relief on a frosted gold background on the front. The Museum building in platinum-like relief is on the reverse along with your membership number engraved on a raised panel. These coins are \$25 each.

Online forms for all three programs are available online at the NSSA website, [www.mynssa.com](http://www.mynssa.com). Contact Mike Brazzell at 210-688-2574 or email [mbrazzell@nssa-nasca.com](mailto:mbrazzell@nssa-nasca.com) for more information on the many programs.

### HALL OF FAME FUNDRAISING

**PARKING:** Parking spaces behind the stadium field can be reserved. The proceeds for these spaces go to the support of the Museum. The cost for a parking space, depending on location, is \$150 or \$200. For further information and to reserve your parking place, contact Stephanie Haga at 210-688-3371 x122 or email [shaga@nssa-nasca.com](mailto:shaga@nssa-nasca.com).

**PRACTICE FIELD RENTAL:** Shooters can rent practice fields prior to the shoot so that they can practice at their discretion; you choose the times and shoot your own practice regimen. A field can be rented for \$200 for a single day or \$300 for two days. Keys for your practice rounds will be on sale in the Pro Shop. Fields will be available on Wednesday and Thursday before the Mini World begins. Contact Stephanie Haga at 210-688-3371 x122 or email [shaga@nssa-nasca.com](mailto:shaga@nssa-nasca.com) for further information.
