

# State Winners

for NSSA Records Annual

State Name: \_\_\_\_\_

Date: \_\_\_\_\_

Shoot No. \_\_\_\_\_

Please fill in this form with the "State Champions" from your state shoot for the Records Annual published in March. NSSA Headquarters can discern the Open winners from the shoot report, but because Open State shoots may also have non-resident winners, you need to fill these sheet with State resident winners ONLY.

**This is a shoot reporting requirement for all State Shoots.**

**Example:** Matt from Ohio travel to the Arkansas State Shoot and wins Open Champion in the 28 gauge. The Runner-up is Jim from Arkansas. Since Jim is the highest State competitor, he must be listed as the 28 gauge Champion on this sheet. Matt will still be listed in the monthly issue of SSR as the Open 28 gauge Champion because he was the true Open winner, but Jim receive credit in the Records Annual as being the highest State resident winner.
