

NSSA Zone Grant Applications

NSSA Headquarters will contribute up to \$1,000.00 to a Zone shoot. These funds must be given away to shoot participants (e.g. additional prize money, awards/trophies, giveaways/drawings, etc.). These funds cannot be used to offset normal shoot expenses, and participants cannot be charged an additional fee to be eligible for this added money. This grant is to enhance the prize package at the Zone shoot only.

Requirements:

1. The Zone Shoot program must be submitted and have a reference to the \$1,000.00 enhancement of the shoot as being supplied from NSSA.
2. Specify how the grant will be used.
3. At least one additional reference to NSSA and the Zone Grant, other than the Shoot Program. This can include, but is not limited to, links and information on Registration Forms, Zone's website, Zone's Host Club website, social media, etc.
