Association**

Welcome you to the

**2019
U.S. OPEN
SKEET CHAMPIONSHIPS**

September 5-8, 2019

Rush, New York

WELCOME

The members, officers and directors of Rochester-Brooks Gun Club cordially welcome you to the 2019 U.S. Open Skeet Championships.

During your stay with us, please feel free to utilize all of the club's facilities, including our sporting clays courses, at member prices. We will have practice available throughout the shoot, at member prices. All popular brands of ammunition will be available during the shoot, and can be pre-ordered.

All club facilities will be open throughout the shoot. For those who wish to camp on club property, please contact Scott Holmes, Manager, at (585) 533-9913 during regular club hours.

This information can also be found at <https://www.rbgunclub.com/us-open/>.

We are looking forward to hosting the “last in its class” U.S. Open – where all competitors gather at the same club, eat the same food and shoot the same targets!

The very first U.S. Open was also held in Zone I, at the beautiful Remington Gun Club in Lordship, CT. It is our goal to make the last as good as the first, so if there is anything we can do to help you enjoy your stay in Upstate New York, please just ask!

GENERAL INFORMATION

1. All participants must be current members in good standing of NSSA. The shoot will be governed by NSSA rules and regulations.
2. JR and SJR shooters are permitted to compete on a "targets only" basis and do not pay NYSSSA daily fees. All competitors must present an up-to-date classification card.
3. Registration will be open Wednesday from Noon to 5:00 pm, Thursday from 8:30 am to 4:00 pm and Friday morning beginning at 8:30 am.
4. Squads will not be announced. Shooters are requested to be at the assigned field 15 minutes prior to the scheduled start of the flight. Management reserves the right to move slow squads to the practice field, unless the delay is caused by mechanical or weather problems.
5. Champions and Ladies awards will be presented on the main shoot off field immediately following completion of shoot offs. All other medals and awards will be available the following day, with the exception of 410 and HOA awards. All awards not picked up in person will be mailed within 15 business days.
6. All winners and payouts will be posted on the scoreboards the following day, except 410, HOA and HAA, which will be posted on the NSSA and Rochester-Brooks websites. All payouts will be mailed within 5 days of the shoot.
7. The protest committee will consist of shoot management and the NYSSSA Executive Committee members present.
8. Rochester-Brooks Gun Club reserves the right to alter or cancel any part of this program if conditions warrant. Shoot management also reserves the right to refuse any entry or cause the withdrawal of any contestant who annoys, endangers or interferes in any way with the harmony of the shoot.
9. Spectators and contestants assume all risks resulting from accident or loss of property occurring on gun club property. All contestants, referees and field personnel are required to wear eye and ear protection while on any shooting field. Spectators are likewise requested to wear eye protection at all times that shooting is taking place.
10. The club will be open for practice on Wednesday beginning at 9am and during the shoot whenever possible.
11. Breakfast and lunch will be served every day during the competition.

Junior 12-Gauge Shoot Out

Sponsored by Mitchell-Heitman Fund and Briley

Friday following 12-Gauge shoot offs, all Junior and Sub-Junior competitors are invited to shoot off for flats of ammo and Briley 12-gauge chokes.

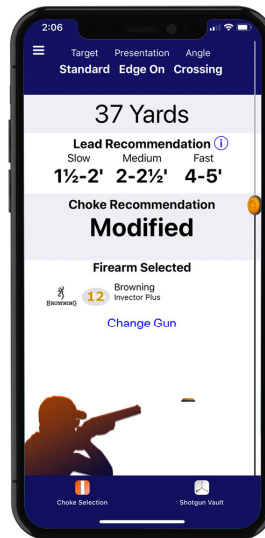

Got App?

Huh?

The Briley App!

The two things a sporting clays shooter should be thinking about is choke selection and how much to lead the target. **HERE YOU HAVE IT!** With the Briley Best Shot app, make a couple of selections, slide your finger vertically on the screen for distance, and a couple of seconds later... **SHAZAM!**

That is not all! Any chokes ordered through the app qualify for a 10% discount! Use this feature-packed app to help you organize and archive all of your firearms and chokes. As well as help you determine the correct choke selection and estimated leads on targets and so much more!

PRE-REGISTRATION ON LINE

Hate to stand in line? We don't like lines either!

The “on-line registration tool” will go live on August 25 and the deadline for on-line registration is midnight Friday, Sept. 4, to allow sufficient time to process and e-mail your confirmation prior to travel to Rochester.

As soon as your averages and classes are set prior to the shoot, visit <https://www.rbgunclub.com/us-open/> and “go through the line.”

You will receive a confirmation by return e-mail which includes all the events you played, plus field assignments.

When you arrive at the club, skip the registration line and report directly to your fields, wait a day until the crowds die down, and then settle up with the cashier. RB accept VISA and Master Card.

Changes may be processed prior to the deadline, just go back through the on-line registration format, correct or update, and re-submit.

Orders for guest dinner tickets and Kolar Gun raffle tickets, payment for ammo and camping electricity can also be made during this process.

THIS IS BRILEY.

At Briley, we're best known for our chokes and tube sets, but we're much, much more.

We're the exclusive direct distributor of *Mattarelli* traps. We have one of the largest selections of doubles around, with new guns arriving daily.

Our latest innovations include the *Briley Electronic Target Management System* including voice operated pickle and the amazing *iPull*

target release. The new *Helix* shot migration choke actually redefines shot patterns.

All of this, and accessories that just don't exist elsewhere, expert gunsmithing for any gun, knowledgeable customer service and a reputation without equal. And don't forget chokes. We make a lot of chokes.
