2021 WORLD SKEET CHAMPIONSHIPS

PRESIDENT'S WELCOME

The Officers, Executive Committee, NSSA and NSC staff welcome all participants and their guests to the 2021 World Skeet Championships. The years format is the same as last year—with Doubles and the Wayne Mayes Championship on Monday, October 4th followed by the 12 gauge on Tuesday, 20 gauge on Wednesday, 28 gauge on Thursday, and finishing Friday, October 8th with the .410 bore and HOA shoot-offs.

Our annual Hall of Fame banquet is Thursday, October 7th. This year John Bratty (Ray Boller recipient), Stuart Brown, and Lindsay Plesko will be inducted into the Hall of Fame. Rick Lawry was selected for the Hall of Fame but will be inducted in 2022. Congratulations to our inductees and their friends and families that have supported their dedication to our sport. Please get your ticket to the annual Hall of Fame banquet. We will have a special recognition in honor of the late Hal DuPont on October 6th at the stadium field and October 7th at the HOF banquet.

As you register, look for announcements for this year's special events. For example, the Golden Target and Golden Ticket will offer chances at great prizes. While you are here, take some time to check vendors row and thank our sponsors. First time attendees as well as returning shooters and guests are encouraged to visit the NSSA-NSCA Museum.

You are invited to attend the annual member meeting Wednesday, October 6th in the house on the hill (see the bulletin board outside of registration for the date and time) and meet some of the NSSA's Executive Committee members and Officers. The annual Board of Directors meeting is Sunday, October 3rd. All Directors are invited to attend our annual meeting and reconnect with the volunteer leaders of our association.

I hope that you have a great time in San Antonio and plan to return in 2022.

Regards,

Chris Naler

All purses and other payments will be made by check and mailed at the conclusion of the shoot. Checks for awards totaling more than \$600 will not be mailed until we have been provided with shooter's Social Security number.

INCLEMENT WEATHER/LIGHTNING PLAN OF ACTION

At the first sign of an approaching storm, local Doppler radar will be monitored for the direction and severity of the storm. At the same time, shoot management will be strategically positioned to monitor the approaching storm for lightning and any other potential dangerous elements.

At first sight of lightning (by and/or relayed to any shoot staff), a cease-fire will be called immediately via PA system and by shoot management to each field where PA is not available. All fields will be cleared of both participants and staff, with all taking cover in available areas, i.e.: Club House, Vendor Buildings, vehicles, etc.

Shoot management will continue to monitor lightning strikes, starting a new time clock with each observed strike. At the duration of 20 minutes with no strikes, shoot management will begin the process of returning participants to the field(s) to continue with shooting. By starting this process at 20 minutes, the total elapsed time from the last strike until shooting begins is anticipated to be 30 or more minutes.

The above process will be repeated for any and all storms / lightning strikes observed.

In the event of any other dangerous elements of an approaching storm, such as extremely high winds/tornado or hail, the same cease-fire and field evacuation procedures as above will be implemented as soon as the danger is realized.

NATIONAL SHOOTING COMPLEX SKEET SHOOTING ACHIEVEMENT CELEBRATION POLICY

In order to continue the tradition of "hat shooting" in celebration of individual achievements and also maintain a safe and controlled environment, the following procedure will be implemented and adhered to during the World Skeet Championships and all other skeet shoots held at the National Shooting Complex.

Following the completion of a shooter's first 100 straight, 4x4 or 5x5 please report to registration where there will be a sign-up sheet to record shooter and squad members. Prior to each evenings shoot-offs, or the next day's shoot-offs if there are none on the given day, shooter of the perfect score and squad members will be called to the shoot-off stadium. Only the shooter of the perfect score and squad members will be allowed to shoot the hat. Hat will be tossed by a member of management / shoot personnel. Each squad member will be allowed to load and shoot no more than two (2) shells. Hat will be shot while in the air only, no shooting once it has hit the ground. When all hats have been shot for the day, the field will be closed for retrieval of all hats.

PERSONAL CART INSURANCE

NSSA-NSCA-NSC has implemented a policy that proof of liability insurance is required for operation of personally-owned carts at the facility. Minimum liability, such as written for auto policies, for injury/accident is what is required. The policy is required to have reference to the cart that is to be operated and often can be added to current auto or home owner policies. Proof of insurance can be sent prior to your arrival via email to Olivia Gracia at nscrv@nssa-nsca.com or by US Mail to:

NSSA
Olivia Gracia
5931 Roft Rd
San Antonio, TX 78253

Upon arrival, a permit, which is to be displayed on the cart, will be available for pick-up in the Club House Pro Shop. If you are unable to send insurance in advance of arrival, simply bring your proof of insurance into the Pro Shop when you arrive and a permit will be produced and issued.

REFEREES/BRILEY VOICE RELEASE

This tournament will use professional referees. The Briley Voice Release, known as "The Wand," will

not be used due to social distancing practices. Calls made by the referee will stand unless presented to the Protest Committee for review.

4. Teams are not required to shoot shoulder to shoulder. To be eligible for a World Record, 5-Man-Teams must shoot shoulder to shoulder.
5. Shooters' Doubles average will be included with averages for the other four gauges to determine their average for the Winchester 550 Classic. The table printed below will be used to determine class.
6. Computation of HOA or HAA average for shooters who are not a "Classified Shooter" in all gauges will be based on their current New Shooter and/or Classified Shooter averages. A shooter who has never shot registered targets in any one of the required gauges may declare "AAA" in these events.
7. An individual's HOA class and 550 class will not be lower than his/her lowest gun class.

Celebration and Remembrance of *Hal duPont*

After the last flight of the 20 Gauge event is completed at approximately 4:30PM on Wednesday, October 6, a special ceremony will be held in the Stadium Field to celebrate the life of Hal duPont. We welcome everyone to attend as we remember one of the most important and influential leaders of the National Skeet Shooting Association.

Hal was instrumental in the success of the National Skeet Shooting Association on many levels. Some of his early contributions include organizing and promoting the original Zone Championships and NSSA US Open. Later, he was instrumental in moving the World Skeet Championships to October and adding the doubles event to registered skeet. Hal's greatest contribution likely came during his four-year term as NSSA President where he was key in re-establishing leadership in the organization. He along with Executive Director, Michael Hampton, Sr. established the National Sporting Clays Association as a division of NSSA. Hal duPont's service to the NSSA cannot be overstated, and we should all be thankful for the time, support, and energy that he invested in the Association. Join us on October 6 in the Stadium as we remember and celebrate Hal duPont.

On Thursday, October 7, we will also include a remembrance of Hal during the NSSA Hall of Fame Banquet. We hope you'll be able to attend.

The advertisement features a large, glowing red AA target at the top, set against a dark, starry background. Below it, the text "BRING YOUR A GAME" is written in large, bold, white letters, with the "A" in "A GAME" being red. Underneath, it says "WE'LL SECOND THAT... AA TARGETS" in white. In the center, there is a graphic of three AA targets (one green, two red) arranged in a triangular pattern, with large, stylized "AA" letters below them. To the right, there is a block of text about the targets being manufactured in the U.S.A. and meeting standards. At the bottom right, the "WHITE FLYER" logo is displayed, consisting of the words "WHITE" and "FLYER" in white, with a red circular logo in between containing the words "WHITE FLYER". Below the logo, the website "www.whiteflyer.com" is written in red.

BRING YOUR A GAME
WE'LL SECOND THAT... AA TARGETS

Whether it is Trap, Skeet or Sporting targets, we ensure every target is manufactured in the U.S.A. and meets all standards and weight specifications of the ATA, NSSA and NSCA.

Official Target of the ATA, AIM, SCTP, Grand American World Trapshooting Championships, World Skeet Championships, National Sporting Clays Championship and NSCA Championship Tour.

LEWIS CLASS PURSE

There will be FIVE CLASSES in the Lewis Class Purse, regardless of the number of entries. Offered in all Mini-World Events (except HOA); Doubles, .410, 28, 20, 12 Gauge Championships.

This system is based on the final scores as they are posted when the shoot has been completed and gives every contestant an equal chance to win, no matter what their shooting ability.

REMINDER: Your NSSA classification has nothing to do with your "class" in this Lewis Class purse. Your class for this optional purse will be determined solely by the rules below.

ENTRY FEE: \$10 per event
High Gun - 3 Places, each class split 50/30/20

For 150-Target 12 GA Championship

ENTRY FEE: \$20

High Gun- 3 Places, each class split 50/30/20

When all the shooting has been completed, the scores are listed in numerical order from the highest to the lowest. They are divided into as many groups as there are classes. For example, if there were 30 entries and 5 classes, there would be 6 scores in each class. The highest score in each class would be the winner.

Since there will often be odd numbers of entries and tie scores on the dividing line between the classes, the following rules have been established:

1. Where a short class is necessary, due to odd entry list, the short class or classes shall head the list.
2. Where the line of division falls in a number of tie scores, the contestants are assigned to the class in which the majority of the scores appear.
3. Where an equal number of tie scores appear on either side of the line, contestants shall be assigned to the head of the lower class.
4. Where the original division is changed, due to tie scores, this change shall apply only to the classes directly affected and the original division shall continue in the other classes.

For example, a shoot containing a 100-target program in which there are 5 Lewis classes and 33 contestants. Since the short classes are placed first, there would be 6 shooters in Class 1 & 2 and 7 shooters in Classes 3, 4 & 5. The final scores are arranged from highest to lowest and the lines drawn in between the classes.

Brackets (}) represent assignment of scores according to Rules 2 and 3. Horizontal lines below numbers represent division of all entries into classes according to Rule 1.

WORLD SKEET SHOOT IN A NUTSHELL

REGISTRATION

If you don't understand something – Ask!

It will make everything easier if you read this program, particularly the General Information on pages 8-11. Some of the most important things to recognize and remember:

You are responsible for verifying that the classes and events you have entered are correct before you leave Registration. You are responsible for notifying Shoot Management

(Registration) of any protests or corrections ASAP. Notification must be received before 11 AM the day after the event is shot.

SCOREBOARD

After each flight is completed, the digital scoreboard will be updated. Remember, all the scores have to be checked, re-added and keyed into the database. The computer processes the information, adds it to any prior information and updates a new scoreboard. **It's extremely important that all shooters check the scoreboard daily to make sure that all the scores are correct in all events, classes, concurrents, purses and options that they've entered.**

WORLD SHOOT WEBSITE: WWW.MYNSSA.COM

HOW DO YOU FIND OUT IF YOU WON ANYTHING?

1. Check the scoreboards.
2. Watch the television screens.
3. Listen for your name when shoot-offs are called.

A complete list of winners is posted on the scoreboard after shoot-offs have been completed. No medals are given out until the name appears on the Official Winners' List, and winners are not declared if there is a possibility of an incomplete shoot-off.

HOW DO YOU KNOW IF YOU ARE IN A SHOOT-OFF?

1. Read the event description in the program to find out what places and events are to be shot off.
2. Check the scoreboard to determine if your score tied with another shooter.
3. Listen for your name when shoot-offs are called.

Important! In some events, the results of the last flight of the day may produce ties that may not be posted before shoot-offs are announced. If there is any chance you have a score that may qualify you in a shoot-off, be prepared with gun and ammunition so you won't be late reporting to the correct field. **At the conclusion of the last flight each day, shoot-off information will be posted behind field 3.**

IF I DO WIN, WHERE DO I PICK UP MY AWARDS?

Open Champion, Runner-up, Third and Class First awards will be given out on the stadium field at the conclusion of the days shoot-offs. All other Mini and Main World Shoot awards will be available for pick-up at Registration from 11:00 AM – 5:00 PM Sunday, October 3–Friday, October 8.

REFEREES/BRILEY VOICE RELEASE

This tournament will use professional referees. The Briley Voice Release, known as "The Wand," will not be used due to social distancing practices. Calls made by the referee will stand unless presented to the Protest Committee for review.

SHOOT-OFFS AND TIES

Most rules apply to all shoot-off events (except when specifically mentioned in an event below)

1. In the event that scores lower than perfect scores shoot off for Championship titles (i.e. Event or Concurrent CH, RU and 3rd), the shoot-off long runs will supersede the event long runs when determining class winners. All places in class (i.e., 1st thru 10th) will be shot off. Any concurrent long run ties below CH, RU or Third for medals or points will be shot off. Remember the HOA event includes all four guns; your front long run is the 12 Gauge Event and the .410 Event is your back long run.
2. With the exception of Two-Person Teams, when the same individuals are tied for different titles in the same event (like Event Champion and Senior Champion), only one shoot-off will be held to determine both titles, in accordance with NSSA Rule II-B-8-b. Two-Person Team Event Champions will be shot off separately from the event shoot-off. Only Team Event Champion will be shot off.
3. In the event that a shoot-off is not completed on the day scheduled or that it cannot be rescheduled because of conflicts with subsequent shoot-offs, it will continue on Saturday, October 9. On that day, shoot-offs will commence and be completed in the same sequence as the events were shot.
4. In the event of a broken gun during a shoot-off, a contestant will have 10 minutes to have the gun repaired or replaced. Failure to comply with the 10-minute time limit will result in automatic disqualification. Unlimited ammo malfunctions are allowed during the shoot-offs only.
5. When more than one shoot-off is conducted on a given day, the second and subsequent shoot-offs will be called by the Chief Referee and announced over the PA system.

WHEN WILL MINI-WORLD SHOOT-OFFS BE HELD?

Friday, October 1	Doubles & Referee Event
Saturday, October 2	12 and 28 Gauge
Sunday, October 3	20 Gauge, .410 Bore and HOA/HAA

Mini-World 12 and 20 gauge perfect scores must report to the stadium field, within 30 minutes of their squad completing the event (15 minutes for shooters on the last flight of the day) to shoot their first round of the shoot-off. A participant will shoot until he/she misses twice or completes the round. Shoot-off fields for all shooters who complete the first round will be announced. Shooters who miss two targets should stand by at the end of the day and listen to announcements in case they are needed for a continuation shoot-off.

WHERE AND WHEN DO I REPORT FOR MY SHOOT-OFF?

- 1 The Shoot-Off Information table located behind Field 3 provides information for all shoot-offs, including confirmation of field assignments.
- 2 Any shooter posting the high score in the day's first event to be shot-off must report to their assigned shoot-off field 15 minutes after the last shot fired for the day has been announced. This in turn gives the squad firing the last shot for the day 15 minutes to report to their assigned fields.
- 3 Shooters shooting 100 straight on the last flight of the day can verify their Field assignments at Shoot-Off Information but should plan to report to the last field of their class. For planning Fields 2-5 for AAA; Fields 6-7 for AA; and Field 8 for A, B, C, D, E.
- 4 The first round of the Championship shoot-off will be shot. Shooters will shoot until their first miss at which time they will step back and wait. Any shooters that complete the box will continue shooting in the stadium field. Shooters missing in the first round of the championship shootoff will return to their original shootoff field and will shoot until they miss twice or complete the box. Once the first box is completed shootoff longruns will be calculated and any shooters still tied will continue shooting using a miss and out formula. When starting a new box for continuations shooters will begin on station three.
- 5 Class and Concurrent Shoot-offs for less than the Championship score will be assigned to fields by score and will commence as soon as possible after all championship shootoffs have cleared on fields 3-9.
- 6 Lady, Super-Veteran, Senior-Veteran, Veteran, Military and Retired-Military Shoot-offs will be called to the Stadium field during the **first round** of Championship when possible.

HOW DO SHOOT-OFFS PROCEED?

- 1 Where possible, shoot-off participants will be assigned to fields by score, class, and alphabetical.
- 2 All shooters should bring TWO (2) boxes of shells to the field.
- 3 In the first round of the Championship shoot-off, a shooter will shoot until he/she misses a target or completes the round.
- 4 All shooters completing the first round straight will report to the Shoot-off Stadium with gun and shell, not more than 5 minutes after completing the first round for assignment.
- 5 Shooters missing in the first round of the championship shootoff will return to their original shootoff field and will shoot until they miss twice or complete the box. Once the first box is completed shootoff longruns will be calculated and any shooters still tied will continue shooting using a miss and out formula. When starting a new box for continuations shooters will begin on station three.
- 6 Continuations will not be announced over the PA system. It is the shooter's responsibility to check-in for continuation assignments. Failure to check-in for continuation assignments constitutes a forfeit of any continuation missed.
- 7 When shoot-offs have been shot down to a single field, each shooter must be on Station 3 ready to shoot the next round within five minutes of completion of the preceding round. A shooter who persists in deliberately causing inexcusable delays after receiving a first warning from the referee shall be subject to disqualification from the shoot-off. At the end of 100 targets, following this schedule, a 10-minute break will be taken.
- 8 Class and Concurrent Shoot-offs of scores less than perfect or the Championship high score will be announced and started as soon as possible after all championship shootoffs have cleared on fields 3-9.
- 9 Non-championship shootoffs with the same score on multiple fields will shoot until they miss twice or until they complete the box. Once the box is completed shootoff longruns will be calculated and any shooters tied will continue shooting using a miss and out format. When starting a new box for continuations shooters will begin on station three.
- 10 Non-championship shootoffs where the same score is being shot off on one field will shoot using miss and out format and break all ties.
- 11 Every attempt will be made to assign all scores and concurrent shoot-offs on the same field to facilitate the breaking of class and concurrent ties. However, this may not always be possible, and shooters should verify at the Shoot-Off Information table located behind Field 3 that all class and concurrent ties have been broken. Any adjacent field shoot-off long-run ties will be assigned from the Shoot-Off Information table.

ARE ALL SHOOT-OFFS THE SAME?

1. Shoot-offs for all events will be doubles 3, 4 and 5, miss and out by station using NSSA Rules or procedures for shoot-offs. (Except Main HOA - see below.)
2. All continuation shoot-offs will also be doubles 3, 4 and 5, miss and out by station.
3. Main HOA Championship shoot-off - 1st round regular skeet - miss and out by target; 2nd round and subsequent rounds - doubles 3, 4 and 5, miss and out by station.
4. Shooters will use the .410 Bore for all rounds of the Wayne Mayes Championship, HOA and HAA shoot-offs.

Congratulations to Larson Harkins of Goose Creek, South Carolina, recipient of a \$5,000 NSSA scholarship. The 2021 graduate of Stratford High School is the son of Mary and Lee Harkins. He plans to use his scholarship to further his education at Trident Tech, where he will pursue studies in the industrial mechanical field.

Larson has been an NSSA member for six years after getting started shooting skeet with a 4-H group at his home gun club, Partridge Creek. He started competing in tournaments after going to a youth skeet camp in 2015. He's been winning awards ever since, including numerous Sub-Junior and Junior titles at South Carolina State Shoots, as well as South Carolina All-State Teams. For the past three years, he has been recognized as a member of the Krieghoff All-American Team.

Larson has given back to the skeet community by working as an NSSA referee from 2018 to 2020 and serving as a 4-H junior shotgun coach.

Larson credits his skeet mentor and best friend Ed Cox for his shooting success. "He taught me almost everything I know about shooting skeet, all the way from how to act on the skeet field to how to win out there."

MATTISON RUSSELL

One of NSSA's most awarded young lady shooters, Mattison Russell of Baskerville, Virginia, is a recipient of a \$5,000 scholarship that will help her pursue a pre-med path at Midland University in Nebraska. Additionally, she will be a member of Midland's Shotgun Sports Team on athletic scholarship.

The daughter of Diane and Charles Russell, Mattison recently graduated from Kenston Forest School. She says she learned skeet fundamentals from Craig Kirkman. "People can tell just from my stance that I'm a student of Craig's," she says. She has also been coached by Stuart Brown, primarily on her mental game. "Both of these men have played an instrumental role in the success I have experienced in skeet."

Mattison has been shooting since 2016 when her dad's friend invited her to attend a 4-H shotgunning practice. She has been active in 4-H, SCTP and NSSA ever since. In 2019, she was a member of the Virginia 4-H Shotgun Team that was named the 4-H National Shotgun HOA Champions.

Among Mattison's many skeet awards are 2018 and 2020 Junior World Junior Lady HOA, 2019 Lady .410 World Champion, 2018 SCTP Ladies Varsity Skeet National Champion, and numerous Virginia State championships.

Congratulations, Mattison!

NSSA WINNERS

LEXI SHAW

San Antonio member and Churchill High School graduate Lexi Shaw has been chosen as a \$5,000 NSSA scholarship recipient for her excellence in shooting, academics and an array of civic and extracurricular activities.

The daughter of Eric and Carolyn Shaw, Lexi switched to the shotgun sports in elementary school after an ankle injury prevented her from playing volleyball.

Lexi says her coach, Terry Howard, always lets her thrive as a shooter without forcing her to fit others' expectations. "He always lets me know what I'm capable of, and he's never failed to tell me the truth when I screw up. I have him to thank for where I am today as a shooter, student and young adult."

In high school, a very busy Lexi prepared for her future by participating in myriad activities ranging from shooting competitions, debate and dance to mission trips, internships, and volunteer work. She also maintained a job throughout high school. Among her many shooting awards are the Texas State Lady Team, runner-up Lady Junior World Champion, Texas State 28-gauge champion and a U.S. Open class championship.

Lexi will continue her education at Schreiner University, where she plans to study pre-law and business. Congratulations, Lexi!

NICOLAS BOYD

Congratulations to Nicolas Boyd of Boerne, Texas, recipient of an NSSA \$5,000 scholarship. Nicolas is the son of Wesley Boyd and Marina Garcia Marmolejo. He will continue his education at University of Texas-Austin and study pre-law.

Nicolas began shooting skeet four years ago. His initial intent was to shoot 3-gun, but "I could not be more happy that my mother vetoed that idea and found me a skeet coach instead."

During high school, he participated in speech and debate, UIL academic events, National and Spanish Honor Societies, the Boys State program and a judiciary internship. He received numerous academic accolades. He was named to the All-Texas Junior Skeet Team for 2020.

Nicolas credits others for helping him reach his goals. "My coach and mentor, Terry Howard, taught me how to keep a level head and perform under pressure," he says. "My abuelo waged a spiritual battle on my behalf, praying every time I stepped foot on the skeet field. My father kept me company at all of my skeet shoots, seeing to it that I was always properly hyped-up and hydrated. And my mother bore (and continues to bear) the financial burden of my shooting endeavors."

SUPPORT YOUR MUSEUM!

The Hall of Fame Museum will be open

October, 2-5: 11 AM - 4 PM

October, 6: 1 PM - 7 PM

October, 7-8: 11 AM - 4 PM

during the World Championship. Be sure to visit the exhibits; new items are continually being added.

There are numerous programs for members to take part in to help improve the Museum. Listed below are just a few we have in progress.

To improve the quantity and quality of exhibits within the Museum and Hall of Fame, additional display furniture is needed. The cabinet program will offer members, clubs, teams or other groups the opportunity to provide an attractive and functional display cabinet to the Museum. The tax-deductible donation of \$1,000 will pay for a new Museum cabinet to display historical artifacts. The cabinet will be affixed with a brass name plaque engraved with the donors' name(s).

Preserve our history by buying a brick for the Museum wall. Your custom monogrammed brick will forever symbolize your support and appreciation

of our sport. The brick measures 7 5/8" x 3 5/8" x 2 1/4" and can have three or four personalized lines. Buy one brick for \$100 or multiples at a discount.

Now available is a one ounce NSSA collector coin, featuring the enameled NSSA logo, in mirror-like relief on a frosted gold background on the front. The Museum building in platinum-like relief is on the reverse along with your membership number engraved on a raised panel. These coins are \$25 each.

Online forms for all three programs are available online at the NSSA website, www.mynssa.com. Contact Amber Schwarz at 210-688-3371 x 241 or email aschwarz@nssa-nsca.com for more information on the many programs.

HALL OF FAME FUNDRAISING

PARKING: Parking spaces behind the stadium field can be reserved. The proceeds for these spaces go to the support of the Museum. The cost for a parking space, depending on location, is \$150 or \$200. For further information and to reserve your parking place, contact Stephanie Haga at shaga@nssa-nsca.com.

PRACTICE FIELD RENTAL: Shooters can rent practice fields prior to the shoot so that they can practice at their discretion; you choose the times and shoot your own practice regimen. A field can be rented for \$200 for a single day or \$300 for two days. Keys for your practice rounds will be on sale in the Pro Shop. Fields will be available on Wednesday and Thursday before the Mini World begins. Contact Stephanie Haga at shaga@nssa-nsca.com for further information.

CONGRATULATIONS

NSSA ALL-AMERICANS!

THANK YOU TO OUR SPONSORS!

Introducing the new
360CLICK quick
change choke
system:

No twisting? No wrench? No time wasted? No sh*t?

We're all human.

Let's face it. We're all human, and we're much more likely to do something we *should* do, when it's easy. It's just human nature. All other things being equal, we'll make the easy choice.

Well, what if the easy choice was more than just easier? What if the results were better? What if it was easier, faster, *and* better? The 360CLICK 1-turn choke connection system is the first major leap forward in choke design in years. And we mean major!

It's all so simple.

360CLICK chokes, after installing adapter, solidly mount with slightly less than one full turn as compared with currently existing chokes that require up to 18 turns to securely mount.

Sorry, no more excuses.

What could be easier? Nothing we know of!

What could be faster? Doesn't exist!
What could be better? What could be

360CLICK
One and Done
1-Turn Choke Connection System
from Briley P2

better than shaving valuable seconds off a necessary choke change so you can spend those seconds planning your shot. What could actually be better than making an easy, quick change—c'mon, *you know you should make that*

change—to score better, no matter what your game?

The 360CLICK connection system is currently available in Browning Invector Plus, Beretta Optima HP, Beretta Mobil, and Blaser, with more configurations to follow.

Is there an easy way to get your hands on 360CLICK?

Absolutely! Come by the Briley showroom in Houston, or go to Briley.com for more information. It's really very easy.
