

JULY 28-31

2022
JUNIOR WORLD
SKEET CHAMPIONSHIPS

Dear Participants, Coaches, Friends, Families and Sponsors,

The entire team at LA Clays Shooting Sports Park, is excited to have the opportunity to host the 2022 Junior World Championships. Under new ownership, our facility has undergone substantial upgrades, including renovations to our Clubhouse, Pro-Shop, Cafe, and general facilities. Featuring brand new equipment from Promatic, our Skeet, Bunker, 5-Stand and Sporting Clays Courses are second to none, in addition to our brand new Pat Trap Machines on all Trap and Skeet/Trap combo fields. Our facility has hosted countless Skeet, Trap, and Sporting Clay tournaments, and is home to six time Olympic Medalist Kim Rhode. We look forward to welcoming the Junior World Skeet Competitors to Southern California, and to our family.

We have a fun filled week planned for our attendees, and their families, thanks to our wonderful sponsors. We will be offering an exclusive lounge with snacks and refreshments for our young competitors, located in the Main Clubhouse beginning Thursday - Sunday. Participants and their families will be able to meet Kim Rhode during registration, and she will be our guest at the Friday Night Fiesta. We invite families to shoot our 25 station Sporting Clays Course, and will have fun options like Crazy Quail, 5-Stand and a 100 Yard Shot with tons of raffle prizes from our generous sponsors. We invite all guests to try their hand at Archery and Axe Throwing. Our LA Clays Cafe will be open throughout the week, featuring delicious sandwiches, salads, wraps, and grilled items, (and our ever popular ice cream cones - perfect after a long day of competition). Complimentary lunch will be provided daily (Friday - Sunday) for all competitors.

There are many exciting things to do in Los Angeles, within 30 miles of our facility. Our "sister" facility, Oak Tree Gun Club www.oaktreegunclub.com (located 40 miles North of LA Clays Shooting Park) is a great option for Skeet, Trap, Sporting Clay, Pistol, Rifle or Archery shooting. We will be offering Member Pricing to all Junior World participants and families July 27 - July 31st. Following is a list of things to do while in Los Angeles:

- Disneyland (31 miles)
- Magic Mountain (40 miles)
- Venice Beach (28 miles)
- Malibu Beach (44 miles)
- Huntington Beach aka "Surf City" (34 miles)
- Huntington Library (8.3 miles)

Our Pro-Shop is stocked with ammunition and merchandise, and will be open for purchases all week. Gunsmithing services will also be available.

Our team is committed to making this a fun and memorable experience for everyone. If there is anything we can do to assist our competitors or their families, please contact me directly (661) 373-4658.

Kind regards,
Betsy James, CEO

CONCURRENT COMPETITION FORMAT

Years ago, the Junior World Skeet Championships did not exist. The Sub-Junior, Junior, and Collegiate competitors (generally ages 10 to 23) were accustomed to attending the NSSA World Shoot in July. However, when the World Shoot was moved to October, this presented challenges for the younger shooters to attend due to educational commitments.

In response, the NSSA developed a new “Junior Only” World Championship to be held annually in the month of July. Hence, the Junior World was born. The Junior World Championship travels around the country to different locations. Clubs wishing to host the Junior World are required to formally request the event. NSSA maintains a minimum list of requirements that each club must comply with in order to be considered for the Junior World host club. The default location will be the National Shooting Complex in San Antonio, TX.

During the Junior World, shooters compete in their concurrent(s) status only; such as Sub-Junior, Junior, and Collegiate. For instance, Sub-Juniors will only compete against other Sub-Juniors. There is no competition between classes such as AAA, AA, A, etc. Concurrents are classified as Class I, Class II or Class III based on their target average for each event (Doubles, 12, 20, 28, .410 Bore and HOA). Note that the High-All-Around (HAA) event is based on Doubles and 4 guns, and is “Honors Only” in the event that a shooter does well enough to hit all 500 targets!

NSSA awards All-American points for concurrent performance. The concurrent All-American point system is based on the number of competitors in the same concurrent event; at normal registered skeet tournaments it is uncommon to have very many junior competitors. This makes the Junior World a key event in the selection of the Sub-Junior, Junior, and Collegiate All-American teams, because it awards “double points” for all eligible winning shooters.

All-American points for Sub-Junior, Junior and Collegiate are awarded to the event Champion, Runner-up, Third and places in Class I. Competitors can declare up to Class I if they so desire. This must be done when they register and prior to competing in the event. The break points in the different classes and the corresponding averages are specified by the Junior World committee and are listed in the shoot program. Please refer to the Medals Matrix found in this program, for a breakdown for each of the Junior World events.

The Junior World Shoot Management will use shoot-offs to determine places for awards, medals and Class places.

Long runs may be used to determine Class II and III places if necessary, and will be consistently utilized across all events. Long runs are defined as the number of consecutive targets broken from the FRONT and from the BACK of a competitor's event score. For instance, if a competitor misses their fourth target in the first box and then breaks the remaining targets for a score of 99, the competitor's long runs are 3 and 98. The largest number is used to determine class placement against other competitors with a score of 99 in the event. Long runs are commonly used at the NSSA World Championships due to the number of potential shoot-offs.

GENERAL INFORMATION

1. Advance registration and \$50.00 deposit required for each competitor.
2. All participants must be NSSA members in good standing.
3. NSSA classification cards must be up-to-date prior to registration. Shooters who do not present an updated and complete classification card with scores from the last five (5) shoots will shoot in Class I.
4. This is an NSSA-registered event and NSSA rules will govern unless otherwise noted in the program and/or posted at the event.
5. Eye and ear protection are mandatory for all competitors during events and for all individuals on or near the skeet fields.
6. Entry for High Over All (HOA) event must be made prior to shooting the 12-gauge event.
7. An “Honors Only” High All Around (HAA) will be offered. There will be no charge for this event.
8. Practice fields will be open Wednesday 27 July starting at 9 a.m. Thursday through Sunday from 8:30 a.m. until conclusion of the last flight; based on field availability. Practice rounds will be \$7.50 per round of 25 targets.
9. Referee's decision on all decisions of fact will be final. All protests must be referred to the protest committee. Shooters must inform referees of protests before shooting the next station.
10. Preference will be given to Sub-Junior, Junior and Collegiate shooters. Parents and coaches will be allowed to shoot all events based on availability.
11. Spectators and contestants assume all risk of loss of property or injury occurring while at LA Clays Shooting Park.
12. Shoot Management reserves the right to change this program without recourse or protest. The management also reserves the right to refuse entry or cause withdrawal if a contestant annoys, endangers or interferes in any manner with another shooter or disturbs the harmony of the shoot. There will be no alcohol consumed until after the close of the day's events.
13. There will be no refunds for withdrawals without LA Clays approval.
14. No parents or coaches are allowed on the fields during the competition unless they are participating as a competitor.
15. Food and beverages will be available for lunch and dinners.
16. Competitors must be at their assigned field ready to shoot no later than fifteen (15) minutes prior to their scheduled event time. It is recommended that shooters be at their assigned field 20 minutes before squad time.
17. Competitors registering for four guns must shoot at times scheduled on their chosen rotation. Squads will NOT be called. ***It is the responsibility of each competitor to be at the correct field at the correct time.***
18. Shooters participating in less than the entire four-gun program will be scheduled as near their requested time as possible; but, by necessity, must be accommodated at the convenience of Shoot Management to allow four-gun shooters preference.
19. Shooters must check their scores before leaving the field in accordance with NSSA rules. There will be no cash purses available for any Junior World events.
20. All door prizes must be picked up at the shoot. No prizes will be mailed.
21. Protest Committee: The Protest Committee will be posted at the event.
22. **Onsite registration can accept cash, personal checks, and credit cards.**
