RULES, REGULATIONS & PROTESTS

This shoot is registered by the NSSA and their rules will govern. All participants must have paid their current NSSA/NSCA dues before being allowed to compete in this tournament. There will be no exceptions. Squads will not be called. It is the shooter's responsibility to be at the correct field on time. Shooters missing their scheduled squad time run the risk of not completing the event. Shooters missing their squad will be allowed to join their squad in a subsequent round and finish the event by his or herself, provided—in the opinion of the referee—there is sufficient time before the next flight. If there is not time, they will be moved to the last flight of the day.

Shoot management may refuse or cause withdrawal of any contestant who disrupts, endangers or interferes in any way with the harmony of the shoot or, in Management's opinion, whose conduct is unsportsmanlike. Unsportsmanlike conduct includes but is not limited to: falsifying scores or classification, cheating, verbal abuse, physical abuse of any shooter, scorer, field judge, shoot official or protest committee, and showing a pattern of begging for targets and calling for dead targets. All protests must be presented to the Protest Committee within thirty minutes after the flight is finished. The Protest Committee will consist of Shoot Management and representatives from the shoot. Protest Committee Ruling is final.
