

IMPORTANT UPDATE

Dear duPont/Krieghoff-Krieghoff-White Flyer Masters Participants,

Thank you for planning to attend the 25th Masters Skeet Championship. We look forward to this exciting event and want to thank our sponsors for their support. With the event three weeks out please review the important updates below.

Ammunition Availability Update:

As it has been all year, ammunition is limited and Forest City Gun Club has not received their complete order for the year. Based on this information we strongly advise bringing your own ammunition to the event. Bringing your own is the only way to guarantee you will have the ammunition you prefer to shoot. At this moment, Forest City Gun Club **does not have any .410 ammunition available for purchase**. They are making all attempts to receive some in time for the event but if they do it will be very limited.

For participants flying to the Masters, we advise shipping your ammunition. UPS guidelines for shipping can be viewed here: [UPS Guidelines](#) (See Shipping Ammunition). **Ammunition should be sent to the participant's name and reference event. The mailing address is 9203 Ferguson Avenue, Savannah, GA 31406.**

If you plan to purchase ammunition at the event, please be aware that there are limited quantities and purchase restrictions may be in place.

We understand this is an inconvenience and apologize upfront.

Registration will open Wednesday, May 5 at 12:00 PM. We look forward to welcoming you to the event and wish everyone safe travels.
