- *Michael Hampton opened the discussion with the objectives of the proposal and the goal of implementation for the 2026 shooting year. He emphasized that everyone needs to have an open mind going in to try something new and different.*
- *A final name for this event has not been determined yet, but the new events would replace the traditional Zone Championships that have suffered from decreased attendance in recent years.*
- *We are looking for maybe five regions for 2026, and the events would be run and managed by the established regions, to include pricing.*
