# 2017 WORLD SKEET CHAMPIONSHIPS PRESIDENT'S WELCOME

The Officers, Executive Committee, NSSA and NSC Staff would like to welcome all participants and their guests to the 2017 World Skeet Championships. Please take time to visit Vendors Row and our Museum which has added more artifacts. A special welcome to our "first timers" and a continued welcome to those who are repeating this experience. Personally, this is my 25th straight World Championships participation, I still do not have a ring but I will keep trying.

ASSO[A:

The San Antonio area has many attractions for you and your guests to enjoy. If you are a "first timer," ask your friends to recommend where to find some of the best food in Texas.

Last year we awarded specially produced and engraved Remington 1100's which have deep luster bluing, gold-plated trigger and upgraded wood, to our Class Champions in all events. We will continue this practice for 2018. You are only eligible to win 1 gun so if you are fortunate to be a multiple class champion then you will receive a gun in the first event you win.

The Wayne Mayes Championship introduced last year was a huge success. Folks liked honoring Wayne and his legacy as well as the additional opportunity to win a World Championship together with the chance to win World "Class' Championships. This event will be held again this year.

Our Annual Board of Directors meeting will be Sunday night October 1. All Directors are expected to attend.

I hope all have a wonderful shoot.

Regards,

John Hauah

NSSA President

Shooters must check their scores <u>before leaving the field</u> in accordance with NSSA Rules II-A-8-c and IV-D-13.

#### SHOOT-OFF PROCEDURES

All ties for Open & Concurrent Champion, Runner-up, Third & Open Class First through Tenth and Concurrent long-run ties will be shot off in all Preliminary, Mini-World, Main World Championships & HOA Events. All other places will be determined by event long run. 2-Man and 5-Man Team Champions only are shot off. All orange targets will be used during any shoot-offs held under the lights. For complete information, see pages 20-23. Shoot-off ammo will be available for purchase in the Pro Shop

When we use multiple fields for the 100s, the first round will be miss and out, but the shooters are to stand by behind the field they shot on. All shooters completing the box go to the stadium. The shooters who missed go back on the same field and shoot until they miss two or complete the box. After all fields are complete, the sheets go back to the tables to see if any further shoot-offs are needed.

#### **PROTESTS**

Winners' lists will be posted daily and will include all winners. Protests or corrections must be presented to Shoot Management in the Registration Building before 11 AM the day after the event is shot. Protests must be filed in accordance with NSSA Rule VI and will be ruled upon by the Protest Committee.

#### DISTRIBUTION OF MEDALLIONS, CLASS FIRST AWARDS & MEDALS

Open Champion, Runner-up, Third and Class First medallions will be awarded on the stadium field at the conclusion of the day's shoot-offs. All other Mini and Main World Shoot awards will be available for pickup in registration daily 11AM-5 PM **beginning** Sunday, Oct. 1, 2017.

#### PAYOUTS OF PURSES AND OPTIONS

All purses and other payments will be made by check and mailed at the conclusion of the shoot. Checks for awards totaling more than \$600 will not be mailed until we have been provided with shooter's Social Security number.

#### INCLEMENT WEATHER/LIGHTNING PLAN OF ACTION

At the first sign of an approaching storm, local Doppler radar will be monitored for the direction and severity of the storm. At the same time, shoot management will be strategically positioned to monitor the approaching storm for lightning and any other potential dangerous elements.

At first sight of lightning (by and/or relayed to any shoot staff), a cease-fire will be called immediately via PA system and by shoot management to each field where PA is not available. All fields will be cleared of both participants and staff, with all taking cover in available areas, i.e.: Club House, Vendor Buildings, vehicles, etc.

Shoot management will continue to monitor lightning strikes, starting a new time clock with each observed strike. At the duration of 20 minutes with no strikes, shoot management will begin the process of returning participants to the field(s) to continue with shooting. By starting this process at 20 minutes, the total elapsed time from the last strike until shooting begins is anticipated to be 30 or more minutes.

The above process will be repeated for any and all storms / lightning strikes observed.

In the event of any other dangerous elements of an approaching storm, such as extremely high winds/ tornado or hail, the same cease-fire and field evacuation procedures as above will be implemented as soon as the danger is realized.

# NATIONAL SHOOTING COMPLEX SKEET SHOOTING ACHIEVEMENT CELEBRATION POLICY

In order to continue the tradition of "hat shooting" in celebration of individual achievements and also maintain a safe and controlled environment, the following procedure will be implemented and adhered to during the World Skeet Championships and all other skeet shoots held at the National Shooting Complex.

Following the completion of a shooter's first 100 straight, 4x4 or 5x5 please report to registration where there will be a sign-up sheet to record shooter and squad members. Prior to each evenings shoot-offs, or the next day's shoot-offs if there are none on the given day, shooter of the perfect score and squad members will be called to the shoot-off stadium. Only the shooter of the perfect score and squad members will be allowed to shoot the hat. Hat will be tossed by a member of management / shoot personnel. Each squad member will be allowed to load and shoot no more than two (2) shells. Hat will be shot while in the air only, no shooting once it has hit the ground. When all hats have been shot for the day, the field will be closed for retrieval of all hats.

#### PERSONAL CART INSURANCE

NSSA-NSCA-NSC has implemented a policy that proof of liability insurance is required for operation of personally-owned carts at the facility. Minimum liability, such as written for auto policies, for injury/ accident is what is required. The policy is required to have reference to the cart that is to be operated and often can be added to current auto or home owner policies. Proof of insurance can be sent prior to your arrival via email to Olivia Gracia at nscrv@nssa-nsca.com or by US Mail to:

NSSA Olivia Gracia 5931 Roft Rd San Antonio, TX 78253

Upon arrival, a permit, which is to be displayed on the cart, will be available for pick-up in the Club House Pro Shop. If you are unable to send insurance in advance of arrival, simply bring your proof of insurance into the Pro Shop when you arrive and a permit will be produced and issued.

#### REFEREES/BRILEY VOICE RELEASE

This tournament will use professional referees. The Briley Voice Release, known as "The Wand," will be available on all competition and practice fields. Squads will have the option of voice release or manual referee pulls during regular competition. A voice-release system will not be used for shoot-offs. Calls made by the referee will stand unless presented to the Protest Committee for review.

#### OTHER INFORMATION

- NSSA Shoot Management reserves the right to alter or cancel any part of this program if conditions warrant. Management decisions are final.

#### LEWIS CLASS PURSE

There will be FIVE CLASSES in the Lewis Class Purse, regardless of the number of entries. Offered in all Mini-World Events (except HOA); Doubles, .410, 28, 20, 12 Gauge Championships.

This system is based on the final scores as they are posted when the shoot has been completed and gives every contestant an equal chance to win, no matter what their shooting ability.

**REMINDER:** Your NSSA classification has nothing to do with your "class" in this Lewis Class purse. Your class for this optional purse

will be determined solely by the rules below. **ENTRY FEE:** \$10 per event

High Gun - 3 Places, each class split 50/30/20

## For 150-Target 12 GA Championship ENTRY FEE: \$20

High Gun- 3 Places, each class split 50/30/20

When all the shooting has been completed, the scores are listed in numerical order from the highest to the lowest. They are divided into as many groups as there are classes. For example, if there were 30 entries and 5 classes, there would be 6 scores in each class. The highest score in each class would be the winner.

Since there will often be odd numbers of entries and tie scores on the dividing line between the classes, the following rules have been established:

- Where a short class is necessary, due to odd entry list, the short class or classes shall head the list.
- Where the line of division falls in a number of tie scores, the contestants are assigned to the class in which the majority of the scores appear.
- Where an equal number of tie scores appear on either side of the line, contestants shall be assigned to the head of the lower class.
- Where the original division is changed, due to tie scores, this change shall apply only to the classes directly affected and the original division shall continue in the other classes.

For example, a shoot containing a 100-target program in which there are 5 Lewis classes and 33 contestants. Since the short classes are placed first, there would be 6 shooters in Class 1 & 2 and 7 shooters in Classes 3, 4 & 5. The final scores are arranged from highest to lowest and the lines drawn in between the classes.

#### REGISTRATION

If you don't understand something - Ask!

It will make everything easier if you read this program, particularly the General Information on pages 8-11. Some of the most important things to recognize and remember:

You are responsible for verifying that the classes and events you have entered are correct before you leave Registration. You are responsible for notifying Shoot Management (Registration) of any protests or corrections ASAP. Notification must be received before 11 AM the day after the event is shot.

#### SCOREBOARD

After each flight is completed, the scoreboard will be updated. Remember, all the scores have to be checked, re-added and keyed into the database. The computer processes the information, adds it to any prior information and prints out new scoreboards. It's extremely important that all shooters check the scoreboard daily to make sure that all the scores are correct in all events, classes, concurrents, purses and options that they've entered.

#### WORLD SHOOT WEBSITE: WWW.MYNSSA.COM

#### HOW DO YOU FIND OUT IF YOU WON ANYTHING?

- 1. Check the scoreboards.
- 2. Watch the television screens.
- 3. Listen for your name when shoot-offs are called.

A complete list of winners is posted on the scoreboard after shoot-offs have been completed. No medals are given out until the name appears on the Official Winners' List, and winners are not declared if there is a possibility of an incomplete shoot-off.

#### HOW DO YOU KNOW IF YOU ARE IN A SHOOT-OFF?

- Read the event description in the program to find out what places and events are to be shot off.
- 2. Check the scoreboard to determine if your score tied with another shooter.
- 3. Listen for your name when shoot-offs are called.

**Important!** In some events, the results of the last flight of the day may produce ties that may not be posted before shoot-offs are announced. If there is any chance you have a score that may qualify you in a shoot-off, be prepared with gun and ammunition so you won't be late reporting to the correct field. At the conclusion of the last flight each day, shoot-off information will be posted on a bulletin board behind field 3.

#### IF I DO WIN. WHERE DO I PICK UP MY AWARDS?

Open Champion, Runner-up, Third and Class First awards will be given out on the stadium field at the conclusion of the days shoot-offs. All other Mini and Main World Shoot awards will be available for pick-up at Registration from 11:00 AM – 5:00 PM Sunday, October 1–Saturday, October 7.

#### REFEREES/BRILEY VOICE RELEASE

This tournament will use professional referees. The Briley Voice Release, known as "The Wand," will be available on all competition and practice fields. Squads will have the option of voice release or manual referee pulls during regular competition. A voice-release system will not be used for shoot-offs. Calls made by the referee will stand unless presented to the Protest Committee for review.

#### SHOOT-OFFS AND TIES

Most rules apply to all shoot-off events (except when specifically mentioned in an event below)

- In the event that scores lower than perfect scores shoot off for Championship titles (i.e. Event or Concurrent CH, RU and 3rd), the shoot-off long runs will supersede the event long runs when determining class winners. All places in class (i.e., 1st thru 10th) will be shot off. Any concurrent long run ties below CH, RU or Third for medals or points will be shot off. Remember the HOA event includes all four guns; your front long run is the 12 Gauge Event and the .410 Event is your back long run.
- With the exception of Two-Person Teams, when the same individuals are tied for different titles in the same event (like Event Champion and Senior Champion), only one shoot-off will be held to determine both titles, in accordance with NSSA Rule II-B-8-b.
   Two-Person Team Event Champions will be shot off separately from the event shoot-off.
   Only Team Event Champion will be shot off.
- 3. In the event that a shoot-off is not completed on the day scheduled or that it cannot be rescheduled because of conflicts with subsequent shoot-offs, it will continue on Sunday, October 8. On that day, shoot-offs will commence and be completed in the same sequence as the events were shot.
- 4. In the event of a broken gun during a shoot-off, a contestant will have 10 minutes to have the gun repaired or replaced. Failure to comply with the 10-minute time limit will result in automatic disqualification.
- When more than one shoot-off is conducted on a given day, the second and subsequent shoot-offs will be called by the Chief Referee and announced over the PA system.
- Shooters have five minutes to report to their shoot-off in accordance with NSSA Rule II-b-9-g.

#### MINI-WORLD

#### WHAT EVENTS WILL BE SHOT OFF?

Shoot-offs will be held in all Mini-World Events where there are ties for any of the places listed below. Mini-World shoot-offs for the 12 and 20 gauge events will be posted on the scoreboard no later than 3:30 PM on the day of the event.

#### PLACES TO BE SHOT OFF

Open Champion, Runner-up and Third

Open Class First thru Tenth for AAA, AA, A, B, C, D (and E when offered) All Concurrent Champions, Runners-up and Third and any long-run ties

#### WHEN WILL MINI-WORLD SHOOT-OFFS BE HELD?

Friday, September 29 Doubles & Referee Event

Saturday, September 30 12 and 28 Gauge

Sunday, October 1 20 Gauge, .410 Bore and HOA/HAA

Mini-World 12 and 20 gauge perfect scores must report to the stadium field, within 30 minutes of their squad completing the event (15 minutes for shooters on the last flight of the day) to shoot their first round of the shoot-off. A participant will shoot until he/she misses twice or completes the round. Shoot-off fields for all shooters who complete the first round will be announced. Shooters who miss two targets should stand by at the end of the day and listen to announcements in case they are needed for a continuation shoot-off.

#### WHERE AND WHEN DO I REPORT FOR MY SHOOT-OFF?

The Shoot-Off Information Table located behind Field 3 provides information for all shoot-offs. There will be a shoot-off table for each class located as follows:

Field 3 - AAA: Field 6 - AA: Field 8 - A, B, C, D, E

- Any shooter posting the high score of the day must report to his respective shoot-off table 15 minutes after the last flight of the day with enough ammunition for the first two shoot-off rounds.
- Late squads on the last flight of the day will be given 15 minutes from the time they completed the event to report for the shoot-off.
- 3. If you shoot 100 straight on the last flight of the day, report to the last shoot-off field for your class. If your name is not on the list, the referee will add it to the end.
- 4. Class First shoot-offs not in the main shoot-off will be conducted in Shoot-Off Stadium

- during the first round of the championship shoot-offs.
- 5. Any concurrent or class awards not decided in the main shoot-off will be called as soon as it is practical.
- 6. The following fields will be used for the first shoot-off of the day: Fields 2-5 AAA; Fields 6-7 AA; Field 8 A, B, C, D, E

#### **HOW DO SHOOT-OFFS PROCEED?**

- 1. Shoot-off participants will be grouped by class in order of finish for the event being shot off when they report to the appropriate shoot-off table field. All shooters in the Championship shoot-off are to bring TWO (2) boxes of shells to the field.
- In the first round of the shoot-off, a participant will shoot until he/she misses a target or completes the round.
- All shooters finishing straight in the first round will report to Shoot-Off Stadium with gun and shells, not more than five minutes after completing the first round of the shoot-off.
- 4. The Chief Referee will assign fields for the second round of the championship shoot-off.
- 5. Shooters missing in the first round of the shoot-off will return to their same field and shoot a second round until two misses or the round is completed.
  NOTE: These shoot-offs will not be announced on the loud speaker system, and it is the shooter's responsibility to be available for these subsequent shoot-offs. Should there be any ties after completion of the second round, those shoot-offs will be announced.
- 6. In the event a shooter does not report for a shoot-off and there are additional awards to be decided, a coin toss will be used to break remaining ties.
- 7. When shoot-offs have been shot down to a single field, each shooter must be on Station 3 ready to shoot the next round within three minutes of completion of the preceding round. At the end of 100 targets, following this schedule, a ten-minute break will be taken.

#### ARE ALL SHOOT-OFFS THE SAME?

- Shoot-offs for all events will be doubles 3, 4 and 5, miss and out by station using NSSA Rules or procedures for shoot-offs. (Except HOA - see below.)
- 2. All continuation shoot-offs will also be doubles 3, 4 and 5, miss and out by station.
- 3. HOA Champion shoot-off 1st round regular skeet miss and out by target; 2nd round and subsequent rounds doubles 3, 4 and 5, miss and out by station.

# NAYNE MAYES CHAMPIONSHIP

## Monday, October 2

## We have created an exciting new event!

The WAYNE MAYES
CHAMPIONSHIP will be
25 targets of each gauge
featuring a blind draw 3-Man
team challenge.

This will be a registered "Event 6" event with World Championship awards in each class (AAA–E) and a unique championship ring donated by Kolar Arms.

The impact that Wayne Mayes has had on this sport is legendary. But besides his individual accomplishments, Wayne loved the people in the sport, and he loved the team events. That's how we honor Wayne, by bringing people together, making teams important again. That's how we make a new event exciting, getting everyone involved. Not just for the sake of the event, but maybe for the betterment of the sport as a whole.

#### **SUPPORT YOUR MUSEUM!**

The Hall of Fame Museum will be open 10 AM - 5 PM during the World Championship. Be sure to visit the exhibits; new items are continually being added.

There are numerous programs for members to take part in to help improve the Museum. Listed below are just a few we have in progress.

To improve the quantity and quality of exhibits within the Museum and Hall of Fame, additional display furniture is needed. The cabinet program will offer members, clubs, teams or other groups the opportunity to provide an attractive and functional display cabinet to the Museum. The tax-deductible donation of \$1,000 will pay for a new Museum cabinet to display historical artifacts. The cabinet will be affixed with a brass name plaque engraved with the donors' name(s).

Preserve our history by buying a brick for the Museum wall. Your custom monogrammed brick will forever symbolize your support and appreciation of our sport. The brick measures 7 5/8" x 3 5/8" x 2 1/4" and can have three or four personalized lines. Buy one brick for \$100 or multiples at a discount.

Now available is a one ounce NSSA collector coin, featuring the enameled NSSA logo, in mirror-like relief on a frosted gold background on the front. The Museum building in platinum-like relief is on the reverse along with your membership number engraved on a raised panel. These coins are \$25 each.

Online forms for all three programs are available online at the NSSA website, www.mynssa.com. Contact Mike Brazzell at 210-688-2574 or email mbrazzell@nssa-nsca. com for more information on the many programs.

#### HALL OF FAME FUNDRAISING

PARKING: Parking spaces behind the stadium field can be reserved. The proceeds for these spaces go to the support of the Museum. The cost for a parking space, depending on location, is \$150 or \$200. For further information and to reserve your parking place, contact Stephanie Haga at 210-688-3371 x122 or email shaga@nssa-nsca.com.

**PRACTICE FIELD RENTAL**: Shooters can rent practice fields prior to the shoot so that they can practice at their discretion; you choose the times and shoot your own practice regimen. A field can be rented for \$200 for a single day or \$300 for two days. Tokens for your practice rounds will be on sale in the Pro Shop. Fields will be available on Wednesday and Thursday before the Mini World begins. Contact Stephanie Haga at 210-688-3371 x122 or email shaga@nssa-nsca.com for further information.
