2025 WORLD SKEET CHAMPIONSHIPS

PRESIDENT'S WELCOME

HELLO and WELCOME to the 2025 World Skeet Championships! Whether you're joining us for the Mini-World, the Main Event, or both, we truly appreciate your attendance.

If you're a first-time attendee, we're hosting a special event just for you. It's a great opportunity to meet our staff, ask questions, and enjoy some food. The date and time will be listed in the program and announced during the shoot-offs.

Throughout the week, we'll offer several fun activities, including **Sport Skeet Fun Event, Ladies' Skeet Instruction Program, and Search for the Golden Target!**

Our dedicated staff in San Antonio has been working nonstop for the past 12 months to make this event exceptional. We reviewed World Shoot surveys, finalized program adjustments at our January Executive Committee meeting, and implemented and communicated those changes to ensure you know exactly what to expect. We're committed to providing the **best experience for YOU.**

The NSC grounds continue to improve. If you attended last year, you likely noticed significant upgrades, including a new pavilion, extensive concrete work around the clubhouse, vendor row and on the middle bank, and several new tree wells. This year, you'll see even more enhancements throughout the complex including five additional poured-concrete skeet fields on the middle bank, five more tree wells along vendor row, an expanded ammo building, an enlarged gun storage facility, and much-needed roadwork on the top skeet fields

Be sure to visit our on-site museum, where we've added new displays for you to explore. While you're here, stroll through and support the vendors who help make our sport possible. If you have time to venture off the grounds, don't miss downtown **San Antonio's River Walk** and **the Alamo**—they're must-see attractions!

A variety of food trucks will be onsite to help satisfy those hunger pangs. We'll also host food gatherings most evenings, so stick around after the shoot-offs. Don't miss Monday night at the stadium—hamburgers and hotdogs will be served by the Officers and EC (sporting their new, fancy aprons!). It's a great chance to relax, share stories (some more exaggerated than others!), and enjoy world-class competition.

We've recruited the best referees in the business for this championship. They're working tirelessly to support you, so please take a moment to say "thank you" whenever you can. Your appreciation goes a long way.

Above all, relax and enjoy the week—take in the weather, the scenery, and the camaraderie. Make new friends! The best skeet shooters in the world will be here, so don't be shy—introduce yourself. You just might walk away with a new friendship. Marvel at the incredible skill of the world's top shooters, and savor this opportunity to compete at the highest level. This is **your event—your** chance to shine. So get out there and **break some clays!**

On behalf of the entire staff and Executive Committee, thank you for attending. We hope you have an unforgettable experience and that you'll bring a friend back next year. Good luck, shoot well, and most importantly—**have fun!**

Warm regards,

Tom Pavlack

INCLEMENT WEATHER/LIGHTNING PLAN OF ACTION

The National Shooting Complex (NSC) will utilize a weather monitoring and alert system to detect the presence and occurrence of lightning and other hazardous weather conditions. Shoot Management will be notified, through the alert system, of lightning and any other potential dangerous elements.

If lightning is detected within 6 miles of NSC, a cease-fire will be called immediately via PA system and any other means where PA is not available. Shooting will suspend for a period of no less than 20 minutes. All fields will be cleared of both participants and staff, with all taking cover in available areas, i.e.: Club House, Vendor Buildings, vehicles, etc. Shoot management will continue to monitor lightning strikes, via the alert system. The weather alert system will automatically track the time after each lightning strike and a new time clock will start after any strike within the 6 mile radius. After the duration of 20 minutes with no strikes within the 6 mile radius, shoot management will begin the process of returning participants to the field(s) to continue shooting. By starting this process at 20 minutes, the total elapsed time from the last strike until shooting begins is anticipated to be 30 or more minutes.

The above process will be repeated for any and all storms / lightning strikes observed. In the event of any other dangerous elements of an approaching storm, such as extremely high winds/ tornado or hail, the same cease-fire and field evacuation procedures as above will be implemented.

NATIONAL SHOOTING COMPLEX SKEET SHOOTING ACHIEVEMENT CELEBRATION POLICY

In order to continue the tradition of "hat shooting" in celebration of individual achievements and also maintain a safe and controlled environment, the following procedure will be implemented and adhered to during the World Skeet Championships and all other skeet shoots held at the National Shooting Complex.

Following the completion of a shooter's first 100 straight, 4x4 or 5x5 please report to registration where there will be a sign-up sheet to record shooter and squad members. Prior to each evenings shoot-offs, or the next day's shoot-offs if there are none on the given day, shooter of the perfect score and squad members will be called to the shoot-off stadium. Only the shooter of the perfect score and squad members will be allowed to shoot the hat. Hat will be tossed by a member of management / shoot personnel. Each squad member will be allowed to load and shoot no more than two (2) shells. Hat will be shot while in the air only, no shooting once it has hit the ground. When all hats have been shot for the day, the field will be closed for retrieval of all hats.

PERSONAL CART INSURANCE

NSSA-NSCA-NSC has implemented a policy that proof of liability insurance is required for operation of personally-owned carts at the facility. Minimum liability, such as written for auto policies, for injury/accident is what is required. The policy is required to have reference to the cart that is to be operated and often can be added to current auto or home owner policies. Proof of insurance can be sent prior to your arrival via email to the NSC at nationalshootingcomplex@nssa-nsc.com or by US Mail to:

**NSSA
NSC Pro-Shop
5931 Roft Rd
San Antonio, TX 78253**

Upon arrival, a permit, which is to be displayed on the cart, will be available for pick-up in the Club House Pro Shop. If you are unable to send insurance in advance of arrival, simply bring your proof of insurance into the Pro Shop when you arrive and a permit will be produced and issued.

3. Individual, Concurrent and Team classifications set forth below will apply.
4. Teams are not required to shoot shoulder to shoulder. To be eligible for a World Record, 5-Man-Teams must shoot shoulder to shoulder.
5. Shooters' Doubles average will be included with averages for the other four gauges to determine their average for the Winchester 600 Classic. The table printed below will be used to determine class.
6. Computation of HOA or HAA average for shooters who are not a "Classified Shooter" in all gauges will be based on their current New Shooter and/or Classified Shooter averages. A shooter who has never shot registered targets in any one of the required gauges may declare "AAA" in these events.
7. An individual's HOA class and HAA class will not be lower than his/her lowest gun class.

LEWIS CLASS PURSE

There will be FIVE CLASSES in the Lewis Class Purse, regardless of the number of entries. Offered in all Mini-World Events (except HOA); Doubles, .410, 28, 20, 12 Gauge Championships.

This system is based on the final scores as they are posted when the shoot has been completed and gives every contestant an equal chance to win, no matter what their shooting ability.

REMINDER: Your NSSA classification has nothing to do with your “class” in this Lewis Class purse. Your class for this optional purse will be determined solely by the rules below.

ENTRY FEE: \$10 per event
High Gun - 3 Places, each class split 50/30/20

For 200-Target 12 GA Championship

ENTRY FEE: \$20
High Gun- 3 Places, each class split 50/30/20

When all the shooting has been completed, the scores are listed in numerical order from the highest to the lowest. They are divided into as many groups as there are classes. For example, if there were 30 entries and 5 classes, there would be 6 scores in each class. The highest score in each class would be the winner.

Since there will often be odd numbers of entries and tie scores on the dividing line between the classes, the following rules have been established:

1. Where a short class is necessary, due to odd entry list, the short class or classes shall head the list.
2. Where the line of division falls in a number of tie scores, the contestants are assigned to the class in which the majority of the scores appear.
3. Where an equal number of tie scores appear on either side of the line, contestants shall be assigned to the head of the lower class.
4. Where the original division is changed, due to tie scores, this change shall apply only to the classes directly affected and the original division shall continue in the other classes.

For example, a shoot containing a 100-target program in which there are 5 Lewis classes and 33 contestants. Since the short classes are placed first, there would be 6 shooters in Class 1 & 2 and 7 shooters in Classes 3, 4 & 5. The final scores are arranged from highest to lowest and the lines drawn in between the classes.

Brackets (}) represent assignment of scores according to Rules 2 and 3. Horizontal lines below numbers represent division of all entries into classes according to Rule 1.

WORLD SKEET SHOOT IN A NUTSHELL

REGISTRATION

If you don't understand something – Ask!

It will make everything easier if you read this program, particularly the General Information on pages 8-11. Some of the most important things to recognize and remember:

You are responsible for verifying that the classes and events you have entered are correct before you leave Registration. You are responsible for notifying Shoot Management (Registration) of any protests or corrections ASAP. Notification must be received before 11 AM the day after the event is shot.

SCOREBOARD

After each flight is completed, the digital scoreboard will be updated. Remember, all the scores have to be checked, re-added and keyed into the database. The computer processes the information, adds it to any prior information and updates a new scoreboard. **It's extremely important that all shooters check the scoreboard daily to make sure that all the scores are correct in all events, classes, concurrents, purses and options that they've entered.**

WORLD SHOOT WEBSITE: WWW.MYNSSA.COM

HOW DO YOU FIND OUT IF YOU WON ANYTHING?

1. Check the scoreboards.
2. Watch the television screens.
3. Listen for your name when shoot-offs are called.

A complete list of winners is posted on the scoreboard after shoot-offs have been completed. No medals are given out until the name appears on the Official Winners' List, and winners are not declared if there is a possibility of an incomplete shoot-off.

HOW DO YOU KNOW IF YOU ARE IN A SHOOT-OFF?

1. Read the event description in the program to find out what places and events are to be shot off.
2. Check the scoreboard to determine if your score tied with another shooter.
3. Listen for your name when shoot-offs are called.

Important! In some events, the results of the last flight of the day may produce ties that may not be posted before shoot-offs are announced. If there is any chance you have a score that may qualify you in a shoot-off, be prepared with gun and ammunition so you won't be late reporting to the correct field. **At the conclusion of the last flight each day, shoot-off information will be posted behind field 3.**

IF I DO WIN, WHERE DO I PICK UP MY AWARDS?

Open Champion, Runner-up, Third and Class First awards will be given out on the stadium field at the conclusion of the days shoot-offs. All other Mini and Main World Shoot awards will be available for pick-up at Registration from 11:00 AM – 5:00 PM Sunday, September 28–Saturday, October 4.

REFEREES

This tournament will use professional referees. Calls made by the referee will stand unless presented to the Protest Committee for review.

SHOOT-OFFS AND TIES

Most rules apply to all shoot-off events (except when specifically mentioned in an event below)

1. In the event that scores lower than perfect scores shoot-off for Championship titles (i.e. Event or Concurrent CH, RU and 3rd), the shoot-off long runs will supersede the event long runs when determining class winners. All places in class (i.e., 1st thru 10th) will be shot off. Any concurrent long run ties below CH, RU or Third for medals or points will be shot off. Remember the HOA event includes all four guns; your front long run is the 12 Gauge Event and the .410 Event is your back long run.
2. With the exception of Two-Person Teams, when the same individuals are tied for different titles in the same event (like Event Champion and Senior Champion), only one shoot-off will be held to determine both titles, in accordance with NSSA Rule II-B-8-b. Two-Person Team Event Champions will be shot off separately from the event shoot-off. Only Team Event Champion will be shot off.
3. In the event that a shoot-off is not completed on the day scheduled, it will be rescheduled by shoot management. On that day, shoot-offs will commence and be completed in the same sequence as the events were shot.
4. In the event of a broken gun during a shoot-off, a contestant will have 10 minutes to have the gun repaired or replaced. Failure to comply with the 10-minute time limit will result in automatic disqualification.
5. When more than one shoot-off is conducted on a given day, the second and subsequent shoot-offs will be called by the Chief Referee and announced over the PA system.
6. Shooters have five minutes to report to their shoot-off in accordance with NSSA Rule II-B-9-g.

MINI-WORLD

WHAT EVENTS WILL BE SHOT OFF?

Shoot-offs will be held in all Mini-World Events where there are ties for any of the places listed below.

Mini-World shoot-offs for the 12 and 28 gauge events will be posted on the scoreboard no later than 3:30 PM on the day of the event.

PLACES TO BE SHOT OFF

Open Champion, Runner-up and Third

Open Class First thru Tenth for AAA, AA, A, B, C, D (and E when offered)

All Concurrent Champions, Runners-up and Third and any long-run ties

WHEN WILL MINI-WORLD SHOOT-OFFS BE HELD?

Friday, September 26

Saturday, September 27

Sunday, September 28

Doubles & Referee Event

12 and 20 Gauge

28 Gauge, .410 Bore and HOA/HAA

SAME AS 2024: ONLY Mini-World 12 gauge perfect scores must report to the stadium field, within 30 minutes of their squad completing the event (15 minutes for shooters on the last flight of the day) to shoot their first round of the shoot-off. A participant will shoot until he/she misses twice or completes the round. Shoot-off fields for all shooters who complete the first round will be announced. Shooters who miss two targets should stand by at the end of the day and listen to announcements in case they are needed for a continuation shoot-off.

WHERE AND WHEN DO I REPORT FOR MY SHOOT-OFF?

- 1 The Shoot-Off Information table located behind Field 3 provides information for all shoot-offs, including confirmation of field assignments.
- 2 Any shooter posting the high score in the day's first event to be shoot-off must report to their assigned shoot-off field 15 minutes after the last shot fired for the day has been announced. This in turn gives the squad firing the last shot for the day 15 minutes to report to their assigned fields.

HOW DO SHOOT-OFFS PROCEED?

- 1 Shoot-offs shall be conducted doubles stations 3-4-5, miss-and-out by station. This means that a shooter must break both targets on a station in order to beat a shooter who only broke one target (i.e. if one shooter breaks the first target and another shooter breaks the second target, they are still tied) as described in the current NSSA rule-book.
- 2 Each Shoot-Off long-run is the number of targets broken from the front before a miss, by station. After a miss on any station the next long-run restarts on the next station.

CHAMPIONSHIP ROUND (SHOOT-OFF ROUND 1)

- 1 All Championship Scores (scores of 200, 100 or highest required)
 - Fields will be called in Reverse Order from 9-3 to allow those with the longest distance the most time to reach the field.
 - All Shooters will shoot until a miss or completion of a 24 in that round.
 - All Shooters that miss in the first round of perfect scores should make their way toward the stadium and field 3 where they will be called to standby for any continuations determined (via PA when allowable).
 - All shooters completing the box are logged by class and concurrent and sent to the Stadium Field for the next round of the Championship shoot-off. These shooters will be communicated to the stadium field and announced via radio.
 - After completion of shooting the first box on any field, the field referee will deliver the scoresheet immediately to the designated continuation table for that field to determine continuations required across all fields.
 - While the event Champion is being determined on the stadium field, the referee table will review and determine the required continuations from the shoot-off long-run ties from all fields for class and concurrent. These shooters will be added to scoresheets, announcement worksheets and assigned fields and will be called over the PA System when allowable.
 - Priority will be given to the determination of an event Champion. At the completion of each round in the Stadium field if a Champion has not been determined, any continuations already determined will be called over the PA System during the break. If the class or concurrent places are known for the continuation, they should be announced as well.
 - Continuations by field will be called starting with field 3 and moving down as required

CLASS ROUND (SHOOT-OFF ROUND 2)

- 2 Class Scores tied with less than championship scores.
 - These shoot-offs will not be called until all ties are broken from the championship scores rounds.
 - All will be called to fields over the PA System. Fields will be called in Reverse Order from 9-3 to allow those with the longest distance the most time.
 - If ALL shooters of a concurrent CH/RU/3rd place tie are in the same class those ties will be broken by the long-run of the class shoot-off and marked accordingly on the field scoresheet.

CONCURRENT ROUND (SHOOT-OFF ROUND 3)

- 3 Concurrent Round for remaining CH/RU/3rd less than championship scores and required longrun ties.
 - ALL remaining shooters tied for a concurrent CH/RU/3rd place that were NOT shot in previous Championship and Class Rounds and any required long-run ties will be called in the Concurrent round.

ARE ALL SHOOT-OFFS THE SAME?

1. Shoot-offs for all events will be doubles 3, 4 and 5, miss and out by station using NSSA Rules or procedures for shoot-offs. (Except Main HOA - see below.)
2. All continuation shoot-offs will also be doubles 3, 4 and 5, miss and out by station.

2025 SCHOLARSHIP

CHARLEE JONES

Charlee Jones of New Brockton, Alabama, is a graduate of Enterprise High School and recipient of an NSSA \$5,000 scholarship, which she will use at the University of Alabama. Congratulations, Charlee!

Charlee shoots at the Army Aviation Shotgun Club, where she began shooting five years ago when her dad dropped her off, to her surprise, for a youth skeet camp.

Among her high school activities were the 4-H shooting club, National Honor Society, and National Forestry Honor Society. She was also a member of the National Rifle Association and the National Archery Federation. She was also a member of the National Rifle Association and the National Archery Federation.

PENDING

Caleb Jones of New Brockton, Alabama, is a graduate of Enterprise High School and recipient of an NSSA \$5,000 scholarship, which he will use at the University of Alabama. Congratulations, Caleb!

Caleb volunteered with the SHINE Foundation, which helped youth with special needs in sports. As a senior, he organized a shoot to raise funds for two teens battling cancer. "When people are in need," says Caleb, "you can count on shooters to support through their sport."

He credits his coach Brian Rishel as making the most impact in his shooting career. "He is very prescriptive and precise in his methods, and I would not be the shooter I am without Brian's guidance," Caleb says. "Thanks also to my Mississippi skeet family, who have always been supportive and uplifting." His long-term goal: winning a World Championship title.

NSSA WINNERS

LOLA FITZGERALD

Lola Fitzgerald of Rancho, California, is one of this year's \$5,000 scholarship recipients. The daughter of Mary Fitzgerald and Jay Fitzgerald, Lola was introduced to clay target shooting at five years old as a puller and began shooting at 9. She plans to study aviation and business at Jacksonville University.

As an honors student at St. Lucy's Priory High School, Lola started an all-girls shooting team and was active in theater, choir, and volunteerism. She even captured the California Forensics for shooting in 2022 and 2023. She was named the top shooter in 2023 and 2024. In 2023, she was named the top shooter in the state, leading to a scholarship to attend college.

PENDING

Cash began shooting when he was 10 years old and has been shooting ever since. He is a member of the NSSA and has been shooting for over 10 years.

As a skeet shooter, Cash's awards include the Junior World 410 Championship in 2023, 2024 Cowtown HOA Champion, 2024 Texas State Junior Team captain, and 2023 TSSA Rookie of the Year. Cash also spent time as a volunteer during high school, making a mission trip to Costa Rica and logging over 60 service hours locally.

"Shooting has introduced me to a great community of people, and I am thankful for all of the advice on and off of the field that other shooters give me," says Cash. "Thank you to Col. Chris Naler for teaching me the game of skeet, and thank you to my parents for supporting my shooting addiction."

SUPPORT YOUR MUSEUM!

The Hall of Fame Museum will be open

SEPT. 26 - OCT. 3
10 AM - 4 PM

during the World Championships. Be sure to visit the exhibits; new items are continually being added.

There are numerous programs for members to take part in to help improve the Museum. Listed below are just a few we have in progress.

To improve the quantity and quality of exhibits within the Museum and Hall of Fame, additional display furniture is needed. The cabinet program will offer members, clubs, teams or other groups the opportunity to provide an attractive and functional display cabinet to the Museum. The tax-deductible donation of \$1,000 will pay for a new Museum cabinet to display historical artifacts. The cabinet will be affixed with a brass name plaque engraved with the donors' name(s).

Preserve our history by buying a brick for the Museum wall. Your custom monogrammed brick will forever symbolize your support and appreciation of our sport. The brick measures 7 5/8" x 3 5/8" x 2 1/4" and can have three or four personalized lines. Buy one brick for \$100 or multiples at a discount.

Now available is a one ounce NSSA collector coin, featuring the enameled NSSA logo, in mirror-like relief on a frosted gold background on the front. The Museum building in platinum-like relief is on the reverse along with your membership number engraved on a raised panel. These coins are \$25 each.

Online forms for all three programs are available online at the NSSA website, www.mynssa.com. Contact Glynne Moseley at 210-688-3371 x 270 or email aschwarz@nssa-nasca.com for more information on the many programs.

HALL OF FAME FUNDRAISING

PRACTICE FIELD RENTAL: Shooters can rent practice fields prior to the shoot so that they can practice at their discretion; you choose the times and shoot your own practice regimen. A field can be rented for \$200 for a single day or \$300 for two days. Keys for your practice rounds will be on sale in the Pro Shop. Fields will be available on Wednesday and Thursday before the Mini World begins. Contact Stephanie Haga at shaga@nssa-nasca.com for further information.
