

NSSA COLLEGE SCHOLARSHIP

National Skeet Shooting Association (NSSA) will award \$5,000 scholarships to four deserving high school seniors in 2024. This NSSA scholarship may be used for a 4-year or 2-year degree program or a technical college. It will be paid incrementally by semester.

It is the responsibility of the recipient to send a copy of each semester's grades bearing the seal of the office of the registrar to NSSA Headquarters; grades from the internet will not be accepted. Scholarship payment will be made at the end of each semester after grades have been submitted. Summer sessions are excluded from this program. Full-time status (12 hrs. minimum per semester) and a "B" average (3.0 GPA or greater) must be maintained to continue this scholarship. A reasonable lapse in attendance for a college-approved internship program may be permitted. Continued active NSSA registered skeet participation is required.

This application will be for 2024 high school graduates, beginning with the 2024 fall semester. We expect applicants to be active NSSA participants; however, selection will be based on a combination of scholarship, citizenship, and participation in NSSA activities.
